Primary Languages: Effective Learning and Teaching Cynthia Martin,2008-10-16 Primary languages are to be an entitlement for all pupils in KS2 from 2010 There is therefore a need to ensure that trainee primary teachers are equipped with the required skills knowledge and understanding to contribute to this process This book supports specialists and also non specialist trainees with an interest in MFL who may need to deliver languages across the curriculum providing them with a clear understanding of the methodology and helping them to develop linguistic competence and confidence

Innovating Assessment and Feedback Design in Teacher Education Cornelia Connolly,T.J. Ó Ceallaigh,2023-12-18 Assessment and feedback are central to the question of how teacher educators can enhance and transform teaching and learning This edited volume details case studies and empirical research presenting alternative innovative designs for assessment and feedback across a range of programmes mediums and jurisdictions While the swift and unexpected digital pivot during the pandemic emphasised how teacher education adopted and facilitated online teaching supervision and practice there is now a need for increased attention to support alternative approaches Innovating Assessment and Feedback Design in Teacher Education considers the perspectives and experiences of teachers educators and students while also exploring discipline specific practices and outcomes professional competencies as well as issues pertaining to quality equity inclusion accountability academic integrity and success Carefully chosen international contributors provide cutting edge research findings and discuss its practical implications covering the development deployment and evaluation of classroom based hybrid and remote approaches This book elaborates upon the transformative assessment and feedback approaches taken by teacher educators to inform the future landscape of teaching and learning in a digital age Illustrating key developments in the field examples of best practice dialogues integrating the student perspective worked examples and

international perspectives this key book is an invaluable resource for teacher educators striving to improve their practice

Maximising the Impact of Teaching Assistants Anthony Russell, Rob Webster, Peter Blatchford, 2013 Teaching assistants have become an integral part of classroom life yet pioneering research by the authors has shown that school leaders and teachers are not making the most of this valued resource Results from the Deployment and Impact of Support Staff DISS project showed that the more support pupils received from teaching assistants the less academic progress they made Yet it is not decisions made by the teaching assistants themselves but decisions made by school leaders and teachers about how their support staff are used and prepared which explains these provocative results Prompted by the wake up call the DISS project findings provided this timely book of guidance will help school leaders and teachers in primary and secondary schools improve the way they use teaching assistants and will add real value to what can be achieved in the classroom Based on the authors collaborative work with schools in the Effective Deployment of Teaching Assistants EDTA project this book provides essential practical tools and classroom tested strategies that will allow schools to conduct a fundamental review of current practice and provides a framework for reforming teaching assistant deployment and preparation and the way they interact with pupils Maximising the Impact of Teaching Assistants provides much needed and well informed guidance on how to unleash the huge potential of teaching assistants working in schools and is essential reading for all school leaders
