book provides a rationale for lesson planning as an integral part of a teacher's work. It introduces the key concepts and skills of lesson planning and provides a practical framework for their development. The book helps the reader to make an informed choice about the approaches they use to plan lessons taking into account their subject area and the requirements of individual learners. Covering all aspects of short, medium and long term planning, chapters include Writing Appropriate Learning Objectives and Outcomes, Designing and Structuring Engaging Teaching Activities, Resourcing the Lesson, Assessing Students' Learning Strategies for Personalised Learning, Evaluating Your Lesson. The book also includes practical and reflective activities to help the reader apply the ideas discussed to their own work and key questions to encourage the development of their skilful pedagogy. This highly practical book is essential reading for trainee and practising teachers.

**Event Planning and Management** Ruth Dowson, David Bassett, 2018-11-03. Event Planning and Management second edition is an ideal resource for those seeking a step by step formula to plan and deliver a successful event. With the vital balance of professional experience behind them, the authors teach the next generation of event planners with unrivalled knowledge ensuring an effective event process from start to finish. This book delivers practical understanding of the theory and practice needed to activate each stage of planning from initial venue selection, budgeting and programme content to managing stakeholders and sponsors, promotion, risk assessment, safety and post event evaluation. Fully revised, the second edition of Event Planning and Management expands on managing events on the day and explores the PR and experiential marketing boom for live brand experiences. Including updated real world case studies from around the globe, it also features an invaluable toolkit of templates, planning checklists and budget sheets. Accompanied by a host of downloadable resources, this book is the ideal end to end resource for both event planning modules and certifications, plus busy marketing and PR professionals facing the new wave of live brand and customer experiences.
