R. J. Rummel

Lethal Politics Soviet Genocide And Mass Murder Since 1917

Jean-Jacques Rosa

Lethal Politics Soviet Genocide And Mass Murder Since 1917:

Lethal Politics R. J. Rummel, While there are estimates of the number of people killed by Soviet authorities during particular episodes or campaigns until now no one has tried to calculate the complete human toll of Soviet genocides and mass murders since the revolution of 1917 Here R J Rummel lists and analyzes hundreds of published estimates presenting them in the historical context in which they occurred His shocking conclusion is that conservatively calculated 61 911 000 people were systematically killed by the Communist regime from 1917 to 1987 Rummel divides the published estimates on which he bases his conclusions into eight historical periods such as the Civil War collectivization and World War II The estimates are further divided into agents of death such as terrorism deportations and famine Using statistical principles developed from more than 25 years of quantitative research on nations he analyzes the estimates In the collectivization period for example about 11 440 000 people were murdered During World War II while the Soviet Union had lost almost 20 000 000 in the war the Party was killing even more of its citizens and foreigners probably an additional 13 053 000 For each period he defines counts and totals the sources of death He shows that Soviet forced labor camps were the major engine of death probably killing 39 464 000 prisoners overall To give meaning and depth to these figures Rummel compares them to the death toll from major wars world disasters global genocide deaths from cancer and other diseases and the like In these and other ways Rummel goes well beyond the bare bones of statistical analysis and tries to provide understanding of this incredible toll of human lives Why were these people killed What was the political and social context How can we understand it These and other questions are addressed in a compelling historical narrative This definitive book will be of interest to Soviet experts those interested in the study of genocide and violence peace researchers and students of comparative politics and society Written without jargon its statistics are confined to appendixes and the general reader can profitably read the book without losing the essence of the findings which are selectively repeated in the narrative

Lethal Politics R. J. Rummel, 2017 While there are estimates of the number of people killed by Soviet authorities during particular episodes or campaigns until now no one has tried to calculate the complete human toll of Soviet genocides and mass murders since the revolution of 1917 Here R J Rummel lists and analyzes hundreds of published estimates presenting them in the historical context in which they occurred His shocking conclusion is that conservatively calculated 61 911 000 people were systematically killed by the Communist regime from 1917 to 1987 Rummel divides the published estimates on which he bases his conclusions into eight historical periods such as the Civil War collectivization and World War II The estimates are further divided into agents of death such as terrorism deportations and famine Using statistical principles developed from more than 25 years of quantitative research on nations he analyzes the estimates In the collectivization period for example about 11 440 000 people were murdered During World War II while the Soviet Union had lost almost 20 000 000 in the war the Party was killing even more of its citizens and foreigners probably an additional 13 053 000 For each period he defines counts and

totals the sources of death He shows that Soviet forced labor camps were the major engine of death probably killing 39 464 000 prisoners overall To give meaning and depth to these figures Rummel compares them to the death toll from major wars world disasters global genocide deaths from cancer and other diseases and the like In these and other ways Rummel goes well beyond the bare bones of statistical analysis and tries to provide understanding of this incredible toll of human lives Why were these people killed What was the political and social context How can we understand it These and other questions are addressed in a compelling historical narrative This definitive book will be of interest to Soviet experts those interested in the study of genocide and violence peace researchers and students of comparative politics and society Written without jargon its statistics are confined to appendixes and the general reader can profitably read the book without losing the essence of the findings which are selectively repeated in the narrative

A

History of Fascism, 1914-1945 Stanley G. Payne, 1996-07-15 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines

fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues

Publishers Weekly Criminology, Civilisation and the New World Order Wayne Morrison, 2013-10-18 Expertly authored by the co editor of the best selling text Cultural Criminology Unleashed this book re examines criminology in a global context Wide ranging and up to date it covers the topics of colonialism and post colonialism genocide state control the impact of September 11th and the post 9 11 world Exploring the relationship between a modern discipline and modernity it reworks the history and composition of criminology in light of September 11th and the prevalence of genocide in modernity Analyzing statistics anthropology and the everyday assumptions of criminology s history this text addresses the political and scholarly grip on the territorial state and the absence of a global criminology Rejecting the prevalent belief that September 11th and the responses it evoked were exceptions that either destroyed or revealed the absence of global legal order the author argues that in fact they confirm the nature of the world order of modernity A compelling and topical volume this is a must read for anyone interested or studying in the areas of criminology and criminal justice

The Wars for Asia, 1911-1949 S. C. M. Paine, 2014-10-09 The Wars for Asia 1911 1949 shows that the Western treatment of World War II the Second Sino Japanese War and the Chinese Civil War as separate events misrepresents their overlapping connections and causes The Chinese Civil War precipitated a long regional war between China and Japan that went global in 1941 when the Chinese found themselves fighting a civil war within a regional war within an overarching global war The global war that consumed Western attentions resulted from Japan s peripheral strategy to cut foreign aid to China by attacking Pearl Harbour and Western interests throughout the Pacific in 1941 S C M Paine emphasizes the fears and ambitions of Japan China and Russia and the pivotal decisions that set them on a collision course in the 1920s and 1930s The resulting wars together yielded a viscerally anti Japanese and unified Communist China the still angry rising power of the early twenty first century

Devastation Mark Levene, 2013-12 Explores the genocidal events of the period from 1912 to 1938 particularly focussing on the Balkans the Great War and the emergence of the Stalin and Hitler States and seeks to integrate them into a single coherent history

The War of the World Niall Ferguson, 2012-11-06 From the bestselling author of The Ascent of Money and The Square and the Tower Even those who have read widely in 20th century history will find fresh surprising details The Boston Globe A fascinating read thanks to Ferguson s gifts as a writer of clear energetic narrative history The Washington Post Astonishing in its scope and erudition this is the magnum opus that Niall Ferguson s numerous acclaimed works have been leading up to In it he grapples with perhaps the most challenging questions of modern history Why was the twentieth century history s bloodiest by far Why did unprecedented material progress go hand in hand with total war and genocide His quest for new answers takes him from the walls of Nanjing to the bloody beaches of Normandy from the economics of ethnic cleansing to the politics of imperial decline and fall The result as brilliantly written as it is vital is a great historian s masterwork

The

Abyss Niall Ferguson, 2012-10-23 Excerpted from Niall Ferguson's sprawling bestseller *The War of the World* *The Abyss* now stands on its own as one of the most thrilling short histories of World War I ever written. This is not a conventional military history about battles and generals. Rather, *The Abyss* examines how World War I saw the birth of total war fought between societies as much as armies and must therefore be understood in terms of the financial crises it unleashed, the multinational empires it destroyed, and the hateful ideas it propagated. The most remarkable thing about the war, Ferguson shows us, is how shockingly unexpected it was. At a time when economic integration and technology seemed to be rendering war between great powers impossible, World War I was the moment when that process went into reverse and the lethal forces of ethnic disintegration took over. Now, on the cusp of the 100th anniversary of its outbreak, we can see World War I as much more than just four years of industrialized slaughter. Weaving together the economics of empire and the ideology of race, and featuring an original preface by the author as well as a teaser from his new paperback *Civilization*, *The Abyss* is world history at its finest.

Justice and Memory After Dictatorship Raluca Grosescu, 2024 *Justice and Memory after Dictatorship* Latin America, Eastern Europe, and the Fragmentation of International Criminal Law provides a ground-breaking socio-historical account of the global transformation of international criminal law after the fall of dictatorships at the end of the 1980s. [The Great Big Book of Horrible Things](#) Matthew White, 2011-10-25 A compulsively readable and utterly original account of world history from an atrocitologist's point of view. Evangelists of human progress meet their opposite in Matthew White's epic examination of history's one hundred most violent events, or, in White's piquant phrasing, the numbers that people want to argue about. Reaching back to 480 BCE's second Persian War, White moves chronologically through history to this century's war in the Congo, and devotes chapters to each event where he surrounds hard facts, time, and place and succinct takeaways who usually gets the blame with lively military, social, and political histories. With the eye of a seasoned statistician, White assigns each entry a ranking based on body count, and in doing so, he gives voice to the suffering of ordinary people that inexorably has defined every historical epoch. By turns droll, insightful, matter of fact, and ultimately sympathetic to those who died, *The Great Big Book of Horrible Things* gives readers a chance to reach their own conclusions while offering a stark reminder of the darkness of the human heart. *The Dictators: Hitler's Germany, Stalin's Russia* Richard Overy, 2006-01-17 A book of great importance, it surpasses all others in breadth and depth. Commentary: If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness, may be found Hitler, Stalin, and the systems of domination they forged. Their lethal regimes murdered millions and fought a massive, deadly war. Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people. In the first major historical work to analyze the two dictatorships together in depth, Richard Overy gives us an absorbing study of Hitler and Stalin, ranging from their private and public selves, their ascents to power, and consolidation of absolute rule to their waging of massive war and creation of far-flung empires of camps and prisons. The Nazi extermination camps and the

vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils **Russia's War** Richard Overy,1998-08-01 A penetrating and compassionate book on the most gigantic military struggle in world history The New York Times Book Review An extraordinary tale Overy s engrossing book provides extensive details of teh slaughter brutality bitterness and destruction on the massive front from the White Sea to the flank of Asia Chicago Tribune The Russian war effort to defeat invading Axis powers an effort that assembled the largest military force in recorded history and that cost the lives of more than 25 million Soviet soldiers and civilians was the decisive factor for securing an Allied victory Now with access to the wealth of film archives and interview material from Russia used to produce the ten hour television documentary Russia s War Richard Overy tackles the many persuasive questions surrounding this conflict Was Stalin a military genius Was the defense of Mother Russia a product of something greater than numbers of tanks and planes of something deep within the Russian soul **The Second Twentieth Century** Jean-Jacques

Rosa,2013-09-01 Jean Jacques Rosa offers an analysis of the grand cycle in social organization of the twentieth century showing how the transformation in communication and information technology has led to the downfall of the old political and corporate hierarchies He explains how today s explosion of freely available information is fueling the democratic free market revolution and reveals its universal contemporary consequences **Terror, Force, and States** Rosemary H. T.

O'Kane,1996-01-01 The lessons drawn suggest that the Holocaust and modern genocide are not intrinsically related to modernity Terror regimes she argues operate not through the state but from behind a state facade within a secret society Economic crisis is given prominence in their explanation with the decisive explanatory factor argued to be the move from plans to substantive irrationality Indeed it is the economic rationality of modern society most particularly in respect to labour markets which acts as the barrier to terror s rule *The Cash Nexus* Niall Ferguson,2013-03-07 The Cash Nexus is the controversial history of money s central place in the world from Niall Ferguson bestselling author of *Empire and Civilization* Generations of historians have shied away from the truth behind the cliché money makes the world go around International bestseller Niall Ferguson answers the big questions about finance and its crucial place in bringing happiness and despair warfare and welfare boom and crash to nations buffeted by the onward march of history Starting in 1700 and ending today The Cash Nexus is a dazzling powerful and controversial explanation of modern world history and the fundamental force that lurks behind it all About the author Niall Ferguson is one of Britain s most renowned historians He is the author of *Paper and Iron* *The House of Rothschild* *The Pity of War* *Empire Colossus* *The War of the World* *The Ascent of Money* *High Financier* *Civilization and The Great Degeneration* He has written and presented six highly successful television series for Channel Four *Empire* *American Colossus* *The War of the World* *The Ascent of Money* *Civilization and China* *Triumph and Turmoil*

Civilizing Missions in the Twentieth Century ,2020-09-25 The civilizing mission associated with nineteenth century colonialism became harder to justify after the First World War In an increasingly anti imperialist culture elites reformulated

schemes for the improvement of inferior societies Nation building social engineering humanitarianism modernization or the spread of democracy were used to justify outside interventions and the top down transformation of non western international or even domestic societies The contributions in *Civilizing Missions in the Twentieth Century* discuss how these justifications influenced Polish nation building Scandinavian disarmament proposals and technocratic social policies in the interwar years Treatment of the second half of the century covers the changing cultural context of European humanitarianism as well as the influence of American social science on US foreign policy more particularly democracy promotion Contributors are Boris Barth Rolf Hobson Jürgen Osterhammel Frank Ninkovich Bianka Pietrow Ennker Karen Gram Skjoldager Esther Moeller and Jost D lffer

The Caucasus Under Soviet Rule Alex Marshall, 2010-09-13 The Caucasus is a strategically and economically important region in contemporary global affairs This book provides the first comprehensive study of the impact of Soviet policy on the Caucasus focusing in particular on the period from 1917 to 1955 It argues that understanding the Soviet legacy in the region remains critical to analysing both the new states of the Transcaucasus and the autonomous territories of the North Caucasus

The Vanquished Robert Gerwarth, 2016-11-15 An epic groundbreaking account of the ethnic and state violence that followed the end of World War I and shaped the course of the twentieth century Winner of the Tomlinson Book Prize A Times Literary Supplement Best Book of 2016 In *The Vanquished* a highly original and gripping work of history Robert Gerwarth asks us to think again about the true legacy of the First World War In large part it was not the fighting on the Western Front that proved so ruinous to Europe s future but the devastating aftermath as countries on both sides of the original conflict were savaged by revolutions pogroms mass expulsions and further major military clashes In the years immediately after the armistice millions would die across central eastern and southeastern Europe before the Soviet Union and a series of rickety and exhausted small new states would come into being It was here in the ruins of Europe that extreme ideologies such as fascism would take shape and ultimately emerge triumphant As absorbing in its drama as it is unsettling in its analysis *The Vanquished* is destined to transform our understanding of not just the First World War but the twentieth century as a whole

Migration and Identity in Central Asia Rano Turaeva, 2015-11-19 This book is an ethnographic and sociolinguistic study of Uzbek migrants in the capital city of Uzbekistan The ethnographic details of the book represent post Soviet urban realities on the ground where various forms of belonging clash and kinship ties are reinforced within social safety networks Theoretically it challenges the existing theories of identity and identification which often considered the relations between We and Them taking the We for granted The book offers in depth insights into the communication strategies of migrants the formation of collective consciousness and the relations within the We domain Constructed around contradictions regarding Uzbek identity and how various groups relate to one another as different ethnic groups the theoretical argument of the book is built through such methods and analytical tools as strategic rhetoric and discourse analysis communication and identity theories and the analysis of power and dependence The book will be of

interest to students and scholars of Central Asian Studies Migration Studies and Central Asian Culture and Society

Lethal Politics Soviet Genocide And Mass Murder Since 1917 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lethal Politics Soviet Genocide And Mass Murder Since 1917 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lethal Politics Soviet Genocide And Mass Murder Since 1917 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Lethal Politics Soviet Genocide And Mass Murder Since 1917 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lethal Politics Soviet Genocide And Mass Murder Since 1917. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as

Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lethal Politics Soviet Genocide And Mass Murder Since 1917 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Lethal Politics Soviet Genocide And Mass Murder Since 1917 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lethal Politics Soviet Genocide And Mass Murder Since 1917 is one of the best book in our library for free trial. We provide copy of Lethal Politics Soviet Genocide And Mass Murder Since 1917 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lethal Politics Soviet Genocide And Mass Murder Since 1917. Where to download Lethal Politics Soviet Genocide And Mass Murder Since 1917 online for free? Are you looking for Lethal Politics Soviet Genocide And Mass Murder Since 1917 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Lethal Politics Soviet Genocide And Mass Murder Since 1917. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Lethal Politics Soviet Genocide And Mass Murder Since 1917 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands

or niches related with Lethal Politics Soviet Genocide And Mass Murder Since 1917. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Lethal Politics Soviet Genocide And Mass Murder Since 1917 To get started finding Lethal Politics Soviet Genocide And Mass Murder Since 1917, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Lethal Politics Soviet Genocide And Mass Murder Since 1917 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Lethal Politics Soviet Genocide And Mass Murder Since 1917. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Lethal Politics Soviet Genocide And Mass Murder Since 1917, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Lethal Politics Soviet Genocide And Mass Murder Since 1917 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Lethal Politics Soviet Genocide And Mass Murder Since 1917 is universally compatible with any devices to read.
