## **Magic Pathway Success Discover Actualization:**

*Magic Pathway to Success* Mike Petrussek, 2015-12-15 This book is dedicated to anyone that is searching for the pathway to a more successful life. If you have not experienced much success and you are looking for answers, this book is for YOU. If you are already successful and are in search of the magic pathway to the next level, this book is for YOU. The secrets revealed in this book will help discover YOUR hidden power. You possess power that you are not aware of. You need the pathway to this power. I wrote this book to reveal the pathway to forge ahead with life and become a more successful and powerful YOU. Following the pathway revealed in this book will increase your level of personal power so you can manifest a higher level of success in your life. What this book is about: We are living in two awesome worlds that co-exist side by side: the physical world and the spiritual world. People are aware of the physical world but most people are unaware of the spiritual world. If you want more success, you must become aware of the natural laws that govern all life, mankind, and his destiny. There are many laws by which we are governed: spiritual laws, physical laws, and universal laws. These laws were created to fulfill a purpose, and all laws compliment each other. When you recognize them and learn how to use their positive forces, this is one of the pathways to your hidden power. The more you understand these laws, the easier it will be to apply them in your life. Your personal philosophy is what you know, believe, value, and trust, and it is the major piece to your life puzzle. If you want to change your reality, you must refine your philosophy. This book will help you manifest a more fulfilled reality. It is very difficult to manifest a high level of success in life without leadership skills. Leadership is a key to success, and self-leadership is the key to effective leadership. This book will help you develop a high capacity for leadership to increase your level of personal power. It is much easier to be successful when you are an expert at personal relationships. When you are good at relationships, you can be good at anything. This book will improve your relationships, including family, friends, and business associates, enabling you to become more successful. The secret to life is there is no secret; there is only lack of awareness. Mediocrity is Death's Waiting Room. Reach high in life. My wish for you is God's speed and grace. To Your Success, Mike Petrussek.
