

Bosch Magneto Veteran Era

I created a web page about my 1914 Triumph see [1914 Triumph](#), and in the process of learning about it have been on a steep learning curve. As I find things out I tend to share them via the web so that others have access to their also.

I thought that just a few people would visit this page about magnetos but in the last year over 540,000 people have visited it and downloaded the manuals and literature. So if you find something useful or downloaded a manual - please can you donate something even just £1 to help cover the costs. You can make your donation below via account (Paypal) or via a card - Your help is much appreciated.

I am often asked who do I recommend to get a magneto serviced/repaired/rebuilt.

I have yet to use anyone myself, but the company that I always hear the very best comments about is Steve Marks and The Magneto Guy's company: <http://www.bentleycollectors.co.uk/contact.asp>
