Making Sense of the Secular Ranjan Ghosh, 2013-01-04 This book offers a wide range of critical perspectives on how secularism unfolds and has been made sense of across Europe and Asia The book evaluates secularism as it exists today its formations and discontents within contemporary discourses of power terror religion and cosmopolitanism and the focus on these two continents gives critical attention to recent political and cultural developments where secularism and multiculturalism have impinged in deeply problematical ways raising bristling ideological debates within the functioning of modern state bureaucracies Examining issues as controversial as the state of Islam in Europe and China s encounters with religion secularism and modernization provides incisive and broader perspectives on how we negotiate secularism within the contemporary threats of terrorism and other forms of fundamentalism and state politics However amidst the discussions of various versions of secularism in different countries and cultural contexts this book also raises several other issues relevant to the antitheocratic and theocratic alike such as Is secularism merely a nonreligious establishment Is secularism a kind of cultural war How is it related to terror The book at once makes sense of secularism across cultural religious and national borders and puts several relevant issues on the anvil for further investigations and understanding

The Physics of Emotion, Love and Intimate Connection Dr I Pearson, 2025-08-10 I explore the hidden physical mechanisms behind our most human experiences emotion bonding intimacy and the feeling of connection with others Drawing on Stein Theory this book shows how real physics processes work

together to create conscious emotional states Love trust and group belonging are revealed not as abstract feelings but as structured events in matter uniting brain body and environment into a single moment of awareness I cover the physics of proximity kissing long term bonding grief empathy group emotion culture and even spiritual experience all grounded in hard science without metaphysics or psychic claims I explain how subtle physical biasing between nearby minds can influence mood and timing why rituals and shared activities feel powerful and how intimacy leaves lasting structural imprints in both memory and tissue

Creating Connection Judith V. Jordan, Jon Carlson, 2014-05-01 Relational Cultural Therapy RCT is developed to accurately address the relational experiences of persons in devalued cultural groups As a model it is ideal for work with couples it encourages active participation in relationships fosters the well being of everyone involved and acknowledges that we grow through and toward relationships throughout the lifespan Part and parcel with relationships is the knowledge that whether intentionally or not we fail each other misunderstand each other and hurt each other causing an oftentimes enduring disconnect This book helps readers understand the pain of disconnect and to use RCT to heal relationships in a variety of settings including with heterosexual couples lesbian and gay couples and mixed race couples Readers will note a blending of approaches person centered narrative systems and feminist theory all used to change the cultural conditions that can contribute to problems unequal sometimes abusive power arrangements marginalization of groups and rigid gender race and sexuality expectations Readers will learn to help minimize economic and power disparities and encourage the growth of mutual empathy while looking at a variety of relational challenges such as parenting stepfamilies sexuality and illness Polarities of you vs me will be replaced with the healing concept of us

Intimacy Ziyad Marar, 2014-09-11 The hope for intimacy lies deep within us all That moment of feeling uniquely understood the antidote to isolation is what gives us value validation and self belief But as Ziyad Marar shows in this fascinating and engaging study intimacy is a tricky business The prevalence of social media for example is a sign of our desire for human connection yet is a symptom of how little we truly achieve it Often confused with love intimacy is in many ways more important Marar's investigation and celebration of this elusive but profound human experience shows how intimacy is central to a life well lived But how do we spot the real thing Marar helpfully identifies a key set of ingredients reciprocity conspiracy heightened emotion kindness that when brought together enable the strongest experiences of intimacy Without these four characteristics in the mix we are experiencing something less or something else Drawing on a wide range of sources from key thinkers as well as telling examples from familiar films and novels Marar illustrates the subtlety and intricacies of intimacy and shows how closely it is bound up with notions of trust control risk and our own insecurities Intimacy argues Marar is a necessary component of a fulfilled life Yet we should not take for granted that we know what it is and how to get it A better understanding of this powerful experience and the many barriers to achieving it may just help us to brave the search for it For anyone bold enough to do so which should be all of us Intimacy is required reading
