The City of San Francisco's 2019-2020 Budget is a comprehensive financial plan that outlines the city's revenue, expenses, and capital projects for the next fiscal year. It is a key document for the city's financial management and is subject to public review and input.

The budget is divided into several major categories, including:

- General Fund:** The primary source of revenue for the city, derived from property taxes, sales taxes, and other sources.
- Capital Projects:** Funds allocated for the construction and maintenance of city infrastructure, such as roads, bridges, and public buildings.
- Special Funds:** Funds designated for specific purposes, such as the Arts and Cultural Affairs Fund or the Housing Fund.

The budget process is a collaborative effort involving various city departments, the Office of Management and Enterprise Services, and the Board of Supervisors. It is a dynamic process that allows for adjustments and refinements as the fiscal year progresses.
