Making Growth Work Making Growth Work:

How Trump is Making Black America Great Again Horace Cooper, 2020-07-07 The election of President Donald Trump has been portrayed in the mainstream media as a doomsday event especially for America's racial minorities. And yet reality has proven quite the contrary. Not only are African Americans employed at a greater rate than any other time since the late 1950s, black business formation is at an all-time high. In this groundbreaking book, longtime academic and political commentator Horace Cooper explains how Trump's economic policies, including lowering taxes, eliminating stifling regulation, and renegotiating trade agreements, are producing an unforeseen boon to Black America. This book provides a philosophical framework through which Trump's presidency can be viewed as a benefit to Black America rather than a stumbling block.

Better Policies Fixing Globalisation: Time to Make it Work for All OECD, 2017-04-27 Recent years have seen a remarkable backlash against globalisation. The costs of increased openness and connectivity, including the consequences of trade and investment liberalisation, are weighted as never before against the benefits.

The Revenue Growth Habit Alex Goldfayn, 2015-07-07 800 CEO Read Sales Book Of The Year for 2015 Forbes 15 Best Business Books of 2015 The chapters 46 of them in this 256 page book are quick and concise and it is easy to pick it up anywhere and find a nugget of easily actionable advice. But the kicker is that the actions he recommends are also quick and concise so that we can accomplish them in the few bursts of spare time we all have left. 800CEORead.com Follow Goldfayn's brilliant advice and you will have an endless supply of customer testimonials, spontaneous referrals, and new business, and it will compel you to buy a beautiful fountain pen and stop obsessing over social media. His advice simply works. Inc.com Grow your business by 15% with these proven daily growth actions. Do you have trouble finding time during your hectic day to grow your business? Is your company stalled because you are too busy reacting to customer problems? Do you lack the funds to jumpstart an effective marketing plan? The Revenue Growth Habit gives business owners, leaders, and all customer-facing staff a hands-on resource for increasing revenue that is fast, easy, and requires no financial investment. Alex Goldfayn, CEO of the Evangelist Marketing Institute, shows how to grow your organization by 15% or more in 15 minutes or less per day without spending a penny of your money. Forget about relying on social media. Posting on Twitter, Facebook, and LinkedIn doesn't grow revenue, especially for business-to-business companies. The Revenue Growth Habit shows how to request and collect testimonials and how to communicate these testimonials to grow your business. You will discover how to write powerful case studies, ask for and get referrals, grow your lists, and send a revenue-growing newsletter. Goldfayn also includes information for teaching your customer service people how to inform your current clients about what else they can buy from you. This proven approach revolves around letting your customers tell your story. There is nothing you can say about your products and services that is more effective than what your paying customers say. How does it work? Each day take one quick proactive communication action that tells someone about how they'll be improved after buying from you. Choose from the 22 actions Goldfayn details in

Post-Growth Work Irmi Seidl,Angelika Zahrnt,2021-09-08 This book argues that society must rethink the notion of formal employment and instead introduce and spread the notion of meaningful work so that societies can become independent of economic growth The excessive consumption of natural resources and the immense emissions resulting from our growth oriented economic system surpass the planetary boundaries Despite this society and the economy still strive for economic growth in order to generate jobs to finance the social security system and to assure tax income However these expectations are increasingly unrealistic not least because technological developments such as digitalisation and robotisation will change and limit formal employment opportunities as well Against this backdrop the book introduces the notion of meaningful activities that embrace various kinds of work paid and unpaid sequential or in parallel which are meaningful for the worker as well as society as a whole At the same time the authors argue in favour of reduced working time in formal employment Furthermore the book also describes the necessary transformations in companies and for consumers for social and tax systems for social services and agriculture Innovative and timely this book will be a key resource for professionals and scholars interested in sustainability economics work transformation and post growth studies
