Wendy Hilton-Morrow, Kathleen Battles, 2015-03-05 Sexual Identities and the Media encourages students to examine media as a site of negotiation for how people make sense of their own and others sexual identities Taking a critical cultural approach Wendy Hilton Morrow and Kathleen Battles weave together theory synthesis of existing research and original analysis of contemporary media examples in order to explore key areas of debate including an historical context for contemporary GLBTQ representations the advantages and limitations of media visibility including a discussion of the strengths and limitations of stereotype research and the quest for positive representations the role of consumer culture in constructing GLBTQ identities strategies of mainstream media resistance by GLBTQ community members including oppositional queer reading strategies and the production of media products by and for the GLBTQ community the complexities of comedy as a popular narrative device in GLBTQ portrayals the closet as a structuring metaphor in both GLBTQ identities and engagement with media media representations of GLBTQ bodies as sites of non normative desires and gender identities Featuring an enormous range of discussion questions and case studies from celebrity coming out narratives transgender models and slash fiction writers to Glee and Modern Family this textbook offers a timely informative and demystifying introduction to this vital intersection in contemporary culture Q & A Revision Guide EU Law 2013 and 2014

Nigel Foster, 2013-01-10 Q A EU Law offers a lifeline to students revising for exams It provides clear guidance from experienced examiners on how best to tackle exam questions and gives students the opportunity to practise their exam technique and assess their progress **Handbook on Diversity and Inclusion Indices** Ng, Eddy S., Stamper, Christina

L., Klarsfeld, Alain, Han, Yu J., 2021-07-31 This Handbook on Diversity and Inclusion Indices critically examines many of the popular and frequently cited indices related to DEI benchmarking and progress tracking The goal is to provide a better

understanding of the indices construction strengths and weaknesses intended applications contribution to research and progress towards diversity and equity goals *Shapeholders* Mark R. Kennedy, 2017-05-09 Today all it takes is one organizational misstep to sink a company's reputation Social media can be a strict ethical enforcer with the power to convince thousands to boycott products and services Executives are stuck on appeasing stakeholders shareholders employees and consumers but they ignore shapeholders regulators the media and social and political activists who have no stake in a company but will work hard to curb what they see as bad business practices And they do so at their own peril In *Shapeholders Business Success in the Age of Activism* former congressman Fortune 500 executive and university president Mark Kennedy argues that shapeholders as much as stakeholders have significant power to determine a company's risks and opportunities if not its survival Many international multi billion dollar corporations fail to anticipate activism and they flounder on first contact Kennedy zeroes in on the different languages that shapeholders and companies speak and their contrasting metrics for what constitutes acceptable business practice Executives he argues must be visionaries who find profitable and probable collaborations to diffuse political tensions Kennedy's decision matrix helps corporations align their business practices with shapeholder interests anticipate their demands and assess changing moral standards so that together they can plan a profitable route forward Same-Sex Marriage and Social Media Rhonda Gibson, 2018-01-12 According to polls from the early noughties to now public support for same sex marriage has increased dramatically *Same Sex Marriage and Social Media* asks how such a rate of attitude change came about and more specifically what role social media played Digital platforms like Facebook Twitter and YouTube have proved to be useful outlets for political expression and Rhonda Gibson explores how this came to benefit the marriage equality movement Drawing on a wealth of movement related discourse the book looks at how marriage equality was framed by news companies online and in print the digital strategies deployed by LGBT rights organizations and their opponents to gain support the corporate response to the same sex marriage debate the effect of perceived public opinion and the concept of social identity on how the debate evolved online This book seeks to demonstrate how the unique ability of social networks to share personal stories on a mass scale connect like minded individuals regardless of geography and leverage the bandwagon effect of viral content contributed to a seismic shift in visibility and public opinion around the issue of marriage equality Students and researchers will find this a timely and accessible introduction to the impact of online networks on LGBTQ rights LGBT Youth Issues Today David E. Newton, 2014-04-21 The increasing numbers of LGBT teenagers who choose to live their lives as out youth face unique issues within their schools families and communities This book provides information that will help LGBT youth overcome their challenges and give non LGBT youth a better understanding of sexual identities different from their own While all youth are likely to face traumatic or stressful situations in their transition to adulthood lesbian gay bisexual or transgendered LGBT youth face significant and specific challenges in their lives a result of living in a society that has yet to accept or be

Corporate Power and Human Rights Manette Kaisershot, Nicholas Connolly, 2018-02-02 There is ample evidence about the negative effects business activity of all types can have on the provision of human rights Equally there can be little doubt economic development usually driven through business activity and trade is necessary for any state to provide the institutions and infrastructure necessary to secure and provide human rights for their citizens The United Nations and businesses recognise this tension and are collaborating to effect change in business behaviours through voluntary initiatives such as the Global Compact and John Ruggie's Guiding Principles Yet voluntary approaches are evidently failing to prevent human rights violations and there are few alternatives in law for affected communities to seek justice This book seeks to robustly challenge the current status quo of business approaches to human rights in order to develop meaningful alternatives in an attempt to breach the gap between the realities of business and human rights and its discourse This book was previously published as a special issue of the International Journal of Human Rights

Prostitution Research in Context Marlene Spanger, May-Len Skilbrei, 2017-03-16 The starting point for this book is the question of how we research sex for sale and the implications of the choices we make in terms of epistemology and ethics Which dilemmas and ethical aspects need to be taken into account when producing qualitative data within a highly politicised and moral infected realm These two questions are exactly what Spanger and Skilbrei aim to unpack in this unusual interdisciplinary methodology book *Prostitution Research in Context* The book offers contributions from a number of scholars who based on their reflections on their own research practice and the existing knowledge field discuss ongoing methodological issues and challenges representative of international research on sex for sale Some chapters deal explicitly with methodological dilemmas in research others thematise the encounter between prostitution research and general texts on epistemology Other chapters again actively engage with the ethical dilemmas that research on the topic of sex for sale can entail The authors represent different disciplines but share an interest in engaging in reflexive research practices informed by feminism and feminist epistemologies An authoritative contribution to the field this innovative volume will appeal to international scholars and students from across the social sciences and humanities in areas such as sociology anthropology criminology media studies feminist studies human geography and history

Applying International and European Anti-Discrimination Law to

the Housing Context Juan Carlos Benito Sanchez, 2023-10-05 This is the first study of anti discrimination law as it applies to housing law in Europe It offers an important perspective in a field dominated by employment law studies while drawing on concepts significant in that field as well Legislative discussion looks at EU law the European Convention on Human Rights the European Social Charter and related case law The book goes further to examine United Nations human rights instruments and related practice of UN committees This unique focus allows for a fuller understanding of anti discrimination law s implications potential and challenges
