

Unit HSC 3029 – Support Individuals with specific Communication needs

Outcome 1: Understand specific communication needs and factors affecting them

1.1 Explain the importance of meeting an individual's communication needs	<p>We all have a right to communicate and voice our opinions. If an individual's communication needs are not met, this means they are being deprived of their basic human rights. They will be unable to express themselves and communicate how they are feeling, what they want to do, what they need, etc. If individuals are unable to communicate their needs it will have an impact on their well-being, relationships with family, friends and other members of their community.</p>
1.2 Explain how own role and practice can impact on communication with an individual who has specific communication needs	<p>As a support worker it is my role and responsibility to support individuals to express themselves. The way in which I can do this is by assessing their needs, access information regarding their communication needs, providing the appropriate support, aids or equipment, encouraging and motivating communication, working with others and by monitoring the effectiveness of that support. Without the appropriate support the individual would be unable to express their needs or how they are feeling which can lead to both emotional and physical</p>
