

- When using your Jukebox Wizard with your mobile phone and a call comes in- the speaker will pause your music and your stereo will emit a ringing tone
- The call can be answered by pressing the function button once

Redial the last calling number:

- 1) No music, just press the key twice swiftly to redial the number;
- 2) If you're playing music, press once to pause the music first, and press twice swiftly to redial.

Ring off, press the key once to resume the music playing

NOTE: The LED will flash red if no signal is received from your mobile phone after 3 minutes.

Setting up Standby Mode

Hold the function  key to cycle the modes between standby and working. No need use the main Power switch on the right. Hold the function key about 5S, the LED indicator on front will go out, and the speak is automatically in standby mode. Continue in the same way to resume the working status.

Note: If the system is not used for an extended period of time, the system will enter the battery protection mode to protect the battery power. To resume working status, please turn off the main power switch on the right, and connect to a computer or any other standard USB port to activate it. When storing it for a long time without use, please turn off the main power switch. Then the system can not enter the battery protection mode.
