Julius Caesar William Shakespeare, 2017-12-04 When the play opens Julius Caesar has just returned to Rome after defeating the sons of Pompey in battle Before we go any further let's pause for a brief Roman history lesson Pompey aka Pompey the Great was a member of the first triumvirate and he and Caesar used to share power over Rome Then Caesar and Pompey got into a big fight Pompey lost When he tried to run away to Egypt in 48 B C he was assassinated But Caesar still had a problem Pompey's sons were determined to avenge their father's death and overthrow Caesar So Caesar tracked down Pompey's sons in Spain and stomped them out at the Battle of Munda in 45 B C Now back to the play As Caesar parades

through the streets of Rome like a rock star the higher ups in Rome are nervous about his growing power and his popularity with the commoners who have abandoned their work to celebrate Caesar's triumphant return Caesar seems headed toward absolute power which is a big no no in the Roman Republic Meanwhile the festival of the Lupercal a big party where people run around in goatskin g strings in the middle of February is in full swing Caesar is chilling at the festival with his entourage when a soothsayer runs up and says beware the Ides of March meaning hey watch your back on March 15 Caesar looks at the soothsayer and is all whatever man While Caesar parties with his fans Brutus and Cassius huddle together and talk trash about him Cassius is all bent out of shape because he thinks Caesar is running around acting like a king Without coming right out and saying so directly Cassius who has been plotting against Caesar with a group of conspirators suggests that maybe Brutus should lead Rome Brutus says he gets what Cassius is saying but he is also good friends with Caesar so he needs a little time to think about things before he makes any decisions Psst If you read the play closely there's some evidence that Brutus has already been thinking about getting rid of Caesar because he confesses that he's been at war with himself meaning something's been bothering him Brutus and Cassius run into Casca a conspirator who reports that Antony just offered Caesar the crown three times Casca is mad because each time Caesar pretended he didn't want the crown which made the crowd of plebeians common folk love him even more Not only that but Caesar acted like a total drama queen and fainted or pretended to the third time Antony offered him the crown This made the stinking crowd go nuts A month passes which means we're approaching the Ides of March Cue the ominous music Casca and Cicero are running around in a violent thunderstorm and comment on all the crazy stuff that's been happening in Rome lately a lion was roaming around and a bunch of men in flames were spotted walking around the streets Cassius who interprets these omens to mean that Caesar must be taken down continues to plot against Caesar He sends someone to plant fake letters from Roman commoners urging Brutus to eliminate Caesar and attends a meeting that night to plot Caesar's death Meanwhile Brutus has decided to go ahead and kill his friend Caesar because the man might become a complete tyrant if he gains more power Brutus reasons that even though he and Caesar are BFFs killing Caesar is the only way to save the Roman Republic Is he right We don't know for sure but Shakespeare definitely wants us to think about this Brutus finally meets with all the conspirators and they hatch a plan they'll arrange to bring Caesar to the Capitol so they can hack him into a million little pieces

Julius Caesar William Shakespeare, 2014-09-25 This edition of one of Shakespeare's best known and most frequently performed plays argues for Julius Caesar as a new kind of political play a radical departure from contemporary practice combining fast action and immediacy with compelling rhetorical language and finding a clear context for its study of tyranny in the last decade of the reign of Elizabeth 1 The richly experimental verse and the complex structure of the play are analysed in depth and a strong case is made for this to be the first play to be performed at Shakespeare's Globe Theatre Daniell's edition is a hefty piece of serious scholarship that makes a genuine contribution Eric Rasmussen University of Nevada at Reno Shakespeare Survey This is a stimulating new look at a play which is too often exhibited in a critical museum Paul Dean English Studies *The Tragedy of Julius Caesar* William Shakespeare, 1937
