## **Julius Caesar Shakespeare For All:**

**Julius Caesar** William Shakespeare, 2012 Shakespeare's tragedy of one of the most famous assassinations in the world at an epoch-changing time in history     *Julius Caesar* William Shakespeare, 1988-07-28 Professor Spevack's critical discussion shows how private desires and public affairs are inextricable in Julius Caesar and how Shakespeare frames the world of this play person-action-place-time within the operations of larger forces mysterious, ironical, and undeniable     Julius Caesar William Shakespeare, 2003 Easy Reading Shakespeare Introduce your students to the famous literary accomplishments of William Shakespeare Easy reading adaptations will ignite the interest of reluctant and enthusiastic readers Each of these condensed works is arranged in a ten-chapter format with key words designed and used in context Multiple choice questions require students to recall specific details sequence events draw inferences develop new story names and choose the main idea Improves fluency vocabulary and comprehension     **Julius Caesar (Shakespeare Library Classic)** William Shakespeare, 2007-09 Julius Caesar is a Tragedy written by English playwright William Shakespeare who is widely considered to be the greatest writer of the English language Julius Caesar focuses on the later years in the life of Caesar including his betrayal of Brutus the famous speech of Mark Antony and his own death at the hands of the Senators Julius Caesar is an important work of William Shakespeare and is highly recommended for fans of his works as well as those discovering his plays for the first time     *Julius Caesar* (□□□□) William Shakespeare, 2011-09-15 Julius Caesar is a tale of honor and betrayal Pompey a beloved Roman leader is defeated in civil war with Caesar A small brotherhood led by Marcus Brutus is still devoted to him after his death and wants nothing less than the assassination of their new leader Caesar's death takes place within the third of five acts so the rest of the book is devoted to the attempts by Brutus's followers and Marc Antony a dear friend of Caesar and Brutus's enemy to get the populace to believe in and follow that person's views and turn them against the other people's ideals Marc Antony an orator with the ability to in essence brainwash an entire city with a short speech Friends Romans Countrymen Lend me your ears convinces Rome to turn on Brutus's brotherhood How their conflict is settled is by far the most captivating and entrancing part of the play     *Julius Caesar* William Shakespeare, 2006-09-27 The first tragedy to be played in the new Globe Theatre Julius Caesar is set at a crucial turning point in Roman history as the Republic gives way to the imperial Safely removed in time and place from Shakespeare's Elizabethan England Rome makes the perfect laboratory for the playwright's free-ranging political analysis     *Julius Caesar* William Shakespeare, 2017-12-04 When the play opens Julius Caesar has just returned to Rome after defeating the sons of Pompey in battle Before we go any further let's pause for a brief Roman history lesson Pompey a.k.a. Pompey the Great was a member of the first triumvirate and he and Caesar used to share power over Rome Then Caesar and Pompey got into a big fight Pompey lost When he tried to run away to Egypt in 48 B.C. he was assassinated But Caesar still had a problem Pompey's sons were determined to avenge their father's death and overthrow Caesar So Caesar tracked down Pompey's sons in Spain and stomped them out at the

Battle of Munda in 45 B C Now back to the play As Caesar parades through the streets of Rome like a rock star the higher ups in Rome are nervous about his growing power and his popularity with the commoners who have abandoned their work to celebrate Caesar s triumphant return Caesar seems headed toward absolute power which is a big no no in the Roman Republic Meanwhile the festival of the Lupercal a big party where people run around in goatskin g strings in the middle of February is in full swing Caesar is chilling at the festival with his entourage when a soothsayer runs up and says beware the Ides of March meaning hey watch your back on March 15 Caesar looks at the soothsayer and is all whatever man While Caesar parties with his fans Brutus and Cassius huddle together and talk trash about him Cassius is all bent out of shape because he thinks Caesar is running around acting like a king Without coming right out and saying so directly Cassius who has been plotting against Caesar with a group of conspirators suggests that maybe Brutus should lead Rome Brutus says he gets what Cassius is saying but he is also good friends with Caesar so he needs a little time to think about things before he makes any decisions Psst If you read the play closely there s some evidence that Brutus has already been thinking about getting rid of Caesar because he confesses that he s been at war with himself meaning something s been bothering him Brutus and Cassius run into Casca a conspirator who reports that Antony just offered Caesar the crown three times Casca is mad because each time Caesar pretended he didn t want the crown which made the crowd of plebeians common folk love him even more Not only that but Caesar acted like a total drama queen and fainted or pretended to the third time Antony offered him the crown This made the stinking crowd go nuts A month passes which means we re approaching the Ides of March Cue the ominous music Casca and Cicero are running around in a violent thunderstorm and comment on all the crazy stuff that s been happening in Rome lately a lion was roaming around and a bunch of men in flames were spotted walking around the streets Cassius who interprets these omens to mean that Caesar must be taken down continues to plot against Caesar He sends someone to plant fake letters from Roman commoners urging Brutus to eliminate Caesar and attends a meeting that night to plot Caesar s death Meanwhile Brutus has decided to go ahead and kill his friend Caesar because the man might become a complete tyrant if he gains more power Brutus reasons that even though he and Caesar are BFFs killing Caesar is the only way to save the Roman Republic Is he right We don t know for sure but Shakespeare definitely wants us to think about this Brutus finally meets with all the conspirators and they hatch a plan they ll arrange to bring Caesar to the Capitol so they can hack him into a million little pieces
