Enhancing RTI Douglas Fisher, Nancy Frey, 2010-10-01 Are we missing the opportunity to reach struggling learners from the very beginning Are we hastily and unnecessarily referring students to intervention programs that substitute for high quality core instruction What if we could eliminate the need for intervention programs in the first place Response to Intervention RTI programs are only as powerful and effective as the core instruction on which they re built High quality instruction then is the key ingredient that helps all students excel and it s at the heart of Douglas Fisher and Nancy Frey s unique approach to the RTI model Response to Instruction and Intervention or RTI2 In Enhancing RTI the authors argue that students learn best when classroom instruction and supplemental intervention mirror each other in both content and purpose This book provides K 12 teachers with the knowledge and tools they need to implement a cohesive RTI2 system that helps all children learn by proactively addressing their needs To this end you will learn how to Integrate and align core instruction and supplemental intervention Assess your own classroom instruction in addition to your students responses to it Strengthen existing school improvement efforts within an RTI2 framework Utilize systematic feedback to raise student achievement Fisher and Frey maintain that the RTI2 model not only promotes active student learning but it also when done right promotes a culture of hardwired excellence at all levels of instruction

What Every School Leader Needs to Know About RTI

Margaret Searle, 2010-06-18 What is Response to Intervention and why should we care With this question Margaret Searle begins her exploration of the RTI approach to classroom instruction and intervention from her perspective as a seasoned teacher principal and administrator Built on a solid foundation of best practice RTI draws on the strengths and successes that many districts and schools already have in place For the plan to be effective however proactive and consistent leadership is essential With this in mind Searle outlines the critical roles played by school leaders at each step and offers practical answers to the questions they will likely face Where should I start implementing or improving our RTI plan Where do I find high quality research based interventions What s a pyramid of interventions and what do I put in the tiers How can I help teachers set and reach student goals How is RTI different from what we ve tried before How can we make this whole thing work without going crazy Searle shows how school leaders can use the RTI model to coordinate resources and foster
