Comic Books and Juvenile Delinquency United States. Congress. Senate. Committee on the Judiciary,1955 The Phantom Unmasked Kevin Patrick,2017-11-15 Before Superman before Batman there was the Phantom Making its debut as an American newspaper comic strip in 1936 The Phantom was the forerunner of the comic book superhero genre that today animates vast billion dollar franchises spanning print film television video games and licensed merchandise But you ve probably never heard of it you probably think Superman inaugurated the genre That s because despite its American origins The Phantom comic strip has enjoyed far greater popularity with international audiences most notably in Australia Sweden and India where it has appeared in newspapers magazines and comic books The paradox of the character s relative obscurity in the United States offset by his phenomenal success in these three markedly different countries is the subject of The Phantom Unmasked By tracing the publication history of The Phantom in magazines and comic books across international markets since the mid 1930s author Kevin Patrick delves into the largely unexplored prehistory of modern media licensing industries He also explores the interconnections between the cultural political economic and historical factors that fueled the character s international popularity The Phantom Unmasked offers readers a nuanced study of the complex cultural flow of American comic books around the world Equally important to provide a rare glimpse of international comics fandom Patrick surveyed the Phantom s phans as they call themselves and lets them explain how and why they came to love the world s first masked superhero
