*Dimensions of Normativity* David Plunkett, Scott J. Shapiro, Kevin Toh, 2019-01-10 Understood one way the branch of contemporary philosophical ethics that goes by the label metaethics concerns certain second order questions about ethics questions not in ethics but rather ones about our thought and talk about ethics and how the ethical facts insofar as there are any fit into reality Analogously the branch of contemporary philosophy of law that is often called general jurisprudence deals with certain second order questions about law questions not in the law but rather ones about our thought and talk about the law and how legal facts insofar as there are any fit into reality Put more roughly and using an alternative spatial metaphor metaethics concerns a range of foundational questions about ethics whereas general jurisprudence concerns analogous questions about law As these characterizations suggest the two sub disciplines have much in common and could be thought to run parallel to each other Yet the connections between the two are currently mostly ignored by philosophers or at least under scrutinized The new essays collected in this book are aimed at changing this state of affairs *Dimensions of Normativity* collects together works by metaethicists and legal philosophers that address a number of issues that are of common interest with the goal of accomplishing a new rapprochement between the two sub disciplines

*Making British Culture* David Allan, 2008-05-09 Making British Culture explores an under appreciated factor in the emergence of a recognisably British culture Specifically it examines the experiences of English readers between around 1707 and 1830 as they grappled in a variety of circumstances with the great effusion of Scottish authorship including the hard edged intellectual achievements of David Hume Adam Smith and William Robertson as well as the more accessible contributions of poets like Robert Burns and Walter Scott that distinguished the age of the Enlightenment
