**Thugness** Sumer Tyme, 2020-11-15 When Tracy, a successful singles and couples counselor turned thirty, she decided that she was ready to settle down. Tracy had not dated since her early college days. She took time to focus on her career. One day she saw this dark skin, six foot tall guy walk into Pierre's. He had all the makings of a thug. A chance encounter a few days later the two would meet. Christian Giles was an up and coming music producer from a different side of town than Tracy. Since he had thug qualities, Tracy named him Thugness. From there they entered into a relationship filled with love, compassion and understanding, a love that reminded her of the love her dad had always shown her. The relationship was going well until Chris's past came back to haunt him. Tracy and Christian ended their relationship. A heartbroken Tracy didn't want to deal with the memories of her and Christian's relationship so she moved to a new house and a new office. Across the hall worked a money worshipping, six foot two, brown skinned dentist with a million dollar smile named Dr. Shawn Richards. Their first meeting was something that Tracy wanted to forget but Shawn was able to woo her into a relationship. As months went by, Shawn asked Tracy to marry him. Tracy said yes. A month before the wedding while at the mall, Tracy saw a familiar face. One she hadn't seen in a few years. She soon realized that it was Thugness. She told him she was getting married and walked away. On the wedding day as her dad walked her down the aisle, Tracy was all set to marry Shawn. He stood at the front of the tree house awaiting her arrival. With her hand in his, the officiant asked if anyone knew why the two should not be married. Tracy was surprised to see Thugness standing in front of her. Tracy must now choose between the love she never got

over or the love that she was unsure of Whom would she choose *Beyond Xs and Os* Thomas J. Gardner, 2007-07 **Film's First Family** Terry Chester Shulman, 2019-11-12. A fascinating and beautifully written portrait of a tempestuous family that played a pivotal role in the development of American film. Vanda Krefft, author of *The Man Who Made the Movies*. Adultery, secret marriages, divorce, custody battles, suicide attempts, alcoholism, the trials and tribulations of the Costellos were as riveting as any Hollywood feature film. Written with unprecedented access to the family's personal documents and artifacts and interviews with several family members, this riveting study explores the dramatic history of the Costellos and their significance to the stage and screen. This eccentric, tragic yet talented clan was one of the twentieth century's most accomplished families of actors, second only to the Barrymores with whom they intermarried and begat a film dynasty riddled with jealousy, resentment and heartbreak. Inevitably, the Costellos' brilliant achievements would be eclipsed by their own immutable penchant for self-destruction. Patriarch Maurice Dimples Costello was considered the first screen idol until his career, marked by accusations of spousal abuse, drunkenness and physical assault, abruptly ended. His daughter Dolores married John Barrymore, arguably the most famous man in Hollywood at the time, and their son would carry on the Barrymore name to successive generations of actors. Costello's other daughter, Helene, was the first actress to star in an all-talking picture, *The Lights of New York*. However, her career was wracked by scandal in 1932 during her very public divorce from actor-director Lowell Sherman, who testified that his wife was a drunk and an avid reader of pornography. The original members of this pioneering family may be gone, but the name and legacy of the Costellos will live on through their accomplishments, films and descendants, most notably actress Drew Barrymore, and through this sweeping biography with
