Just Like The Days Of Noah Matthew 24:

Just Like the Days of Noah Jan Darnell, 2012 For the coming of the Son of Man will be just like the days of Noah Matthew 24 37 Human actions in the days of the great flood grieved God enough for Him to intervene with global judgment against sin and deception The people of Noah s time refused to acknowledge God and thus were not prepared for His judgment Consider this we live in an age of apostasy widespread abuse and horrifying violence Rather than humble ourselves before our righteous and loving Creator we aspire to the greed and idolatry of the rich and famous So in terms of anticipating the return of Jesus Christ how many of us are preparing with confident knowledge of what His return entails Just Like the Days of Noah by author and Bible teacher Jan Darnell brings us a new deep and essential understanding of the revelation and second coming prophecy in Matthew 24 Christ s message from Mt Olivet is a beacon of light in these confused and unstable times His timeline of events cuts straight through even the most complex schemes and debatable theories of our day Throughout this encouraging and challenging seven week Bible study Darnell expertly guides a careful exploration of the text and shows how we can personally respond to Jesus s message and prepare our lives for His return [Two Shipwrecked Gospels](#) Dennis R. MacDonald, 2012-06-29 With characteristic boldness and careful reassessment of the evidence MacDonald offers an alternative reconstruction of Q and an alternative solution to the Synoptic Problem the Q Papias Hypothesis To do so he reconstructs and interprets two lost books about Jesus the earliest Gospel which was used as a source by the authors of Mark Matthew and Luke and the earliest commentary on the Gospels by Papias of Hierapolis who apparently knew Mark Matthew and the lost Gospel which he considered to be an alternative Greek translation of a Semitic Matthew MacDonald also explores how these two texts well known into the fourth century shipwrecked with the canonization of the New Testament and the embarrassment at outmoded eschatologies in both the lost Gospel and Papias s Exposition **The Everything History Of The Bible Book** Jeffery Donley, 2006-02-07 Interpretations of the Bible abound so what should you believe What s the real story behind the book that s sold more copies than any other publication in history Is the Bible a reliable historical document or just the greatest story ever told Written by acclaimed Bible historian Jeffery Donley The Everything History of the Bible Book answers these questions and more A one stop resource for everything you need to know about the truth behind the Bible this fascinating book addresses the following issues The reliability of divine inspiration The forgotten gospels and their omission from the Bible Existence of documented historical support for Biblical events Accepted disputed and completely rejected Testaments De coding Da Vinci The Shroud of Turin And much much more With The Everything History of the Bible Book as your guide you ll learn all about the legends myths and historical events that inspired the Bible You ll come to understand its amazing impact on the past the present and the future of mankind Most important you ll find out what it can mean to you and your world [Answers to Confounding Teachings of End-Time Events](#) W. Winters, 2024-11-07 How many different views of the end time Bible passages have you heard Are the gospel accounts about

the end times only talking about Jesus's second coming or do they include information on the rapture What exactly happens when the rapture takes place What happens to Fido my cat in the rapture event What kind of body does my dad in heaven have right now if he doesn't get one until the rapture Just how many resurrections are there How can I know I'll be going up in the rapture to be with Jesus And then there's the Ezekiel 38 and 39 war the Gog Magog war How many different views have you sat through for that one How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars And what about Psalms 83 is it a war or a prayer Are you tired of the unanswered questions or being told we can never know for sure Then stop and read this book Allow the words to with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings You don't have to be confounded about these end time questions anymore I hope you're as blessed by God reading this book as much as I was by writing it See you in the clouds soon **Who Will Be Left**

Behind and When? Dave Bussard, 2002-02 In this book Who Will Be Left Behind and When Dave Bussard takes us back to the Bible to examine what it teaches on the end times and the rapture of the Church Written in an easy to read style the title critically examines the teaching of the pretribulation theory of the rapture that is the foundation of the Left Behind series Bussard explores the books of Daniel Matthew 1 and 2 Thessalonians and Revelation and builds a solid case for the timing of the rapture This is far from another dry book on eschatology Rather it is a wake up call to believers to examine what they believe and to realize the vital importance of our understanding of Christ's return A proper understanding of the return of Christ affects not only our present spiritual walk but will have profound consequences for those who will face the final days of this age
