Justice A Global Adventure:

Justice Walter J. Burghardt, 2004 A fascinating introduction to social justice by one of the most effective teachers and preachers in the English speaking world , Global Scenes of Biblical Injustice W. R. Brookman, 2011-12-14 What kinds of experiences do we have with the poor and the oppressed around the world What do we really know about the ins and outs of the lives of those who exist in a world of extreme poverty or oppression *Global Scenes of Biblical Injustice* simplifies and synthesizes the bewildering array of research and technical data which exists regarding these issues Through the use of colorful informative and thoughtful vignettes this book paints an easily understandable picture of the true nature of what may be called biblical injustice This thought provoking book incorporates challenges for a Christian response regarding those whose daily plights fly in the face of what Scripture teaches about justice **Love That Does Justice** Thomas Lewis Schubeck, 2015-02-25 Open Brad R. Braxton, 2023-04-04 In *Open* Brad Braxton boldly articulates an open theology progressive approaches that promote unorthodox theological reflection and the creation of inclusive communities Despite attempts by many right wing politicians and conservative Christians to curtail diverse religious and cultural expressions an open embrace of pluralism enhances Christianity's capacity to foster healing hope and restorative justice Thus Christian communities should be audaciously open about being open Attempts to box in God diminish us spiritually and render us prone to small mindedness and mean spiritedness Certain Christians function as if God cannot withstand robust engagement with the complexities of a diverse world God does not need to be protected by religious fence building and cultural gatekeeping To honor an open God who delights in diversity we should create open communities committed to radically inclusive love This book engages serious even controversial topics including Jesus's identity reparations for slavery LGBTQ equality the Black Lives Matter movement warfare and non violence environmental justice and interreligious collaboration Insisting that there is room for all an open theology empowers us to create broad spaces where people from diverse backgrounds with divergent beliefs can peacefully probe their differences and celebrate their similarities for the sake of a better world If you are tired of closed minded religion that sows division and hatred open this book If you are searching for compassionate spirituality that promotes inclusion and justice open this book Here you will find an open theology creative thinking about God and courageous practices for building diverse communities through radically inclusive love **Justice and Law** María José Falcón y Tella, 2014-05-08 Apart from considering classical theories of justice from Aristotle Plato Saint Thomas Aquinas the Bible and the Quran the aim of *Justice and Law* is to focus on the contemporary vista reviewing some of the modern ideas of justice advanced by legal philosophers of our time such as John Rawls Jürgen Habermas Ronald Dworkin Robert Nozick Richard A Posner Wojciech Sadurski Marxism or Feminist Theories In the second part of the work María José Falcón y Tella deals with some of the principal themes relating to justice such as punishment civil disobedience conscientious objection just war conflict of duties and tolerance *The SAGE Sourcebook of Service-Learning and Civic Engagement*
