The Psalms of Solomon and the Messianic Ethics of Paul Frantisek Abel, 2016-07-04 Frantisek Abel explores one of the topical issues of Paul's theology namely the role and influence of the

Jewish Pseudo epigraphs literature written during Greek and early Roman periods 4th century BCE to the 2nd century CE on Paul's theological thinking Within this corpus the idea of eschatological concepts such as the concept regarding the coming of the Messiah and the Last Judgment in particular arises frequently It is similar in the case of the Psalms of Solomon with the Last Judgment as the main topic of this pseudepigraphon Through close analysis and exploration of particular parts of this work the author proposes that this deuterocanonical writing could form a considerable background for the proper understanding of Paul's messianic ethics From this point of view Paul's teaching on justification should be understood as one that is reflective of God's grace while at the same time expressing faith and deeds as necessary for salvation **A**

Discourse Analysis of Galatians and the New Perspective on Paul David I. Yoon, 2019-04-09 In A Discourse Analysis of Galatians and the New Perspective on Paul David I Yoon outlines discourse analysis from the framework of Systemic Functional Linguistics for analyzing Paul's letter to the Galatians From this analysis he determines whether the context of situation better reflects the New Perspective on Paul covenantal nomism or a more traditional perspective legalism The first half of the book introduces the New Perspective on Paul and discourse analysis followed by a detailed model of SFL discourse analysis with respect to register and context of situation The second half is a discourse analysis of Galatians This is the first monograph length study to address the New Perspective on Paul from a linguistic approach and will as such be of great interest to scholars of Pauline Studies linguistics and theology [A New Identity of Obligation: Metaphors and Paul's Ethical Argument in Romans 6:1-14](#) Andrés D. Vera, 2025-06-19 In Romans 6 1 14 Paul corrects an erroneous ethical conclusion drawn from the narrative of God's grace in Romans 3 5 This innovative study employs tools from cognitive linguistics to unveil Paul's sophisticated rhetorical strategy for resolving the indicative imperative tension By moving beyond traditional theological frameworks the book shows how Paul presents believers new identity as defined by a new obligation illuminating the metaphorical narrative that undergirds Paul's logic Readers will better understand the importance of conceptual spaces like in sin and in Christ and how Paul conceptualizes the relationship between believers and their old selves who have been crucified [Rediscovering Righteousness in Romans](#) David J. Southall, 2008 Why does the Apostle Paul personify righteousness as slave master and athlete in Romans 6 and 9 David J Southall explores Pauline personification as a trope of character invention in which righteousness becomes an equivalent term for Christ **BOOK JACKET** **Paul's Letters and the Construction of the European Self** Fatima Tofighi, 2017-01-26 Even when he was a prototype of European identity Paul transgressed the limits of Europe It is not clear whether he was conformist or rebellious orthodox or liberal sexist or egalitarian Instead of pushing the Apostle into the arbitrary categories of modern European identity Fatima Tofighi takes into account the challenge that Paul brings to normative conceptions of political theology Rom 13 religion Gal 2 12 14 and women's veiling 1 Cor 11 5 16 Alternative interpretations of these passages with the help of postmodern theory both solve the major problems of biblical exegesis and offer a critique of the allegedly well defined European categories

Paul and the Law Brian S. Rosner, 2013-05-14 Brian S. Rosner seeks to build bridges between old and new perspectives on Paul with this biblical theological account of the apostle's complex relationship with Jewish law Rosner argues that Paul reevaluates the Law of Moses including its repudiation as legal code its replacement by other things and its reappropriation as prophecy and wisdom

One of a Kind Adam Sparks, 2010-01-01 A fundamental requirement in an inclusivist understanding of the relationship between Christianity and other religions is evidence of God's salvific activity outside any knowledge of Christ This is commonly identified in the religion of Old Testament Israel On this basis an analogy the Israel analogy is drawn between the religion of the old covenant and contemporary non-Christian religions Closely related is the parallel argument that as Christ has fulfilled the Old covenant he can also be seen as the fulfillment of other religious traditions and their scriptures This study outlines the use of the Israel analogy and the fulfillment model subjecting these concepts to a biblical and theological critique revealing that the exegetical and patristic data are misconstrued in support of these concepts Furthermore the Israel analogy and the fulfillment model undermine the sui generis relationship between the old and new covenants and fail to respect the organic progressive nature of salvation history They also misconstrue the old covenant and the nature of its fulfillment in the new covenant The Israel analogy and fulfillment model rely on a correspondence between the chronologically pre-Messianic Israel and the epistemologically pre-Messianic other religions and therefore consider the BC condition to continue today In so doing they undermine the significance of the Christ event by failing to appreciate the decisive effect of this event on history and the nature of existence It marks a radical turn in salvation history a crisis point rendering the BC period complete and fulfilled

Therefore the concept of a continuing premessianic condition or state is seriously flawed as are the Israel analogy and fulfillment model. Thus the inclusivist paradigm, reliant in large part on these defective concepts, is also problematic and proponents of this paradigm need to reconsider its basis.

Romans 4 and the New Perspective on Paul Gerhard H. Visscher, 2009. In addition to examining Romans IV, this book includes discussion of writings supporting and opposing the New Perspective position.

Paul in Syria: The Background to Galatians Paul Barnett, 2014-05-13. What motivated the apostle Paul from his Damascus road experience through to the end of his life? That is the question driving this powerfully argued work by leading New Testament scholar Paul Barnett. Dr Barnett proposes that an understanding of Paul's years in Syria/Cilicia is critical for understanding his visit to Jerusalem, the mission to Galatia, the counter-mission of the agitators, the dispute with Cephas in Antioch, and the implied dispute with James. Read this work and see Galatians in a different light.

COMMENDATIONS If you are remotely interested in New Testament Studies, especially the writings of Paul, this is an outstanding book to read. Paul Barnett does an excellent job in casting light on the lengthy period of time the Apostle spent in Syria and Cilicia. While in Syria, Paul formed his theology, which Barnett brings out extremely informatively. Barnett reflects on how Paul would have influenced the writings of Peter and James. This book is stimulating, informative, and an invaluable resource. For anyone who takes the New Testament writings of Paul seriously, this book brings it all together and is a must read.

Abraham in the New Testament John Eifion Morgan-Wynne, 2020-05-22. In this book, John Morgan-Wynne examines the very different ways in which Paul's epistles, Hebrews, James, Luke, Acts, John's Gospel, and Matthew's Gospel utilize the critical figure of Abraham, the father of the people of Israel. He explores the question of the extent to which various New Testament authors developed something already present in the tradition and the extent to which they molded their depiction of Abraham to suit their own purposes in novel and creative ways. The book also considers how the diverse New Testament depictions and interpretations of the patriarch affect the preaching of the Abrahamic tradition today.

Following Jesus, the Servant King Jonathan Lunde, 2010-11-23. What does the Bible say about who Jesus is and what he asks of us, his followers? Throughout the Old Testament and into the New, God not only demands righteousness from his people but also showers on grace that enables them to act. Jesus, of course, provides the ultimate fulfillment of these twin aspects of God's relationship to humanity. In biblical terms, Jesus is the King who demands righteous obedience from his followers, and Jesus is the Servant who provides the grace that enables this obedience. In *Following Jesus, the Servant King*, Jonathan Lunde makes plain how having a strong understanding of covenantal theology opens us to greater discipleship. From the angle of biblical teaching, Lunde tackles some of the most poignant questions about being a disciple of Christ: What does it mean to follow Jesus? What does God expect from his followers? How can we be and do what is required? While answering these essential questions, Lunde thoroughly details God's covenants throughout the whole of Scripture, explaining what this means in terms of our relationship with God.

and how Jesus fulfills each of them in turn _____ Part of the Biblical Theology for Life series this practical and robust book will help you ground your discipleship on the solid foundation of biblical understanding and reflection Drums of Redemption Bitrus A. Sarma, 2023-03-02 If the New Testament records the good news that the Messiah came in the person of Jesus Christ of Nazareth what good news does it proclaim to the church in Africa today Across the African continent nations are grappling with issues of genocide terrorism political instability ethnic division abject poverty environmental degradation and the rapid erosion of community life and values There is a dire need for New Testament theology that seriously addresses these social political realities from an African perspective Dr Bitrus Sarma seeks to meet this need providing a contextual understanding of the gospel for African Christians Addressing every book of the New Testament Drums of Redemption is contextually relevant biblically rooted and radically hope filled as it casts a vision for how Christ's redemptive mission can be experienced in every area of life An excellent resource for church leaders in training or those already in ministry it also serves as a powerful example of the incarnational nature of God's word
