## **Juvenile Sexual Homicide:**

*Juvenile Sexual Homicide* Wade C. Myers, 2002 Sexual homicide is murder committed in tandem with either an overt sexual assault or sexually symbolic behavior This type of murder carried out by youths is one of the rarest and most poorly understood crimes How can young people carry out such horrific crimes Do the offenders have anything in common Do they show any warning signs This book highlights groundbreaking research that begins to find the answers to these questions Juvenile Sexual Homicide is the first book to take a comprehensive look at this specific type of crime and attempt to understand the young criminals involved It is based on a 10 year study that evaluates a sample of juvenile sexual murderers and provides a revealing look at the psychopathology personality criminal and behavioral characteristics of their offenses Roger Blashfield Mark Safarik and Linda Monaco are contributing authors Part I reviews the origins and framework of the research sample and provides a comprehensive overview of sexual homicide Part II delves deeply into the criminal aspects of the sample study in relation to various mental disorders Personal findings and psychopathy of the offenders are revealed in addition to the investigation into the role of anger in the crimes Part III presents a more in depth look at special issues and circumstances surrounding the juveniles and their crimes The first in depth study of juvenile sexual murderers A revealing look at the interaction between mental illness personality function and crime characteristics *A Global Casebook of Sexual Homicide* Heng Choon (Oliver) Chan, 2019-06-22 This book comprehensively discusses 13 infamous cases of serial and non serial sexual homicide committed around the globe in the past four decades 1974 2010 Offering a psycho criminological perspective it analyzes the cases theoretically i e contributing and precipitating factors and offender typology and considers the practical implications i e investigative and crime preventive measures and social services The first book to offer a glimpse of this topic from a global perspective it adopts a unique approach case background and critical analysis As such it is a valuable source of reference for scholars clinicians and law enforcement practitioners wanting to gain a better understanding of this type of violent offender **Criminal and Behavioral Aspects of Juvenile Sexual Homicide** WC. Myers, AW. Burgess, JA. Nelson, 1998 This preliminary research provides a descriptive systematic study of juvenile sexual homicide Fourteen incarcerated juveniles identified through a department of corrections computer search were assessed using a structured diagnostic interview an author designed clinical interview and a review of correctional files and other available records Five of the offenders victims survived the homicidal attack but their cases were nevertheless included in this study as the offenders intent was clearly to kill their victim and the victim s survival was merely by chance All victims were female and all offenders were male Their crimes typically occurred in the afternoon and involved a low risk victim of the same race who lived in the offender s neighborhood The sexual component of the crime consisted of vaginal rape in over one half of the cases Weapons typically a knife or bludgeon were used in all but one case Thirteen of these youths had a prior history of violence and twelve had previous arrests Chaotic abusive backgrounds and poor adjustment in school were typical for these

boys A conduct disorder diagnosis was present in twelve of the youths and violent sexual fantasies were experienced by one half of the sample The findings in this study suggest that juvenile sexual murderers comprise less than 1% of juvenile murderers and are likely to be an emotionally and behaviorally disturbed population with serious familial academic and environmental vulnerabilities **The Routledge International Handbook of Juvenile Homicide** Kathleen M.

Heide,2023-12-22 The Routledge International Handbook of Juvenile Homicide is the definitive work on juvenile homicide This volume provides an up to date comprehensive and in depth exploration of what is known about juveniles involved in murder Taking an interdisciplinary approach to juvenile homicide this handbook brings together the leading experts in social sciences mental health and law from many countries The volume covers the phenomenon of juvenile homicide from beginning to end by addressing the questions why do kids kill all the way to how does society stop them from killing The tough issues involved in sentencing youths who take the lives of others often deliberately and in horrific ways are confronted through chapters addressing the legal issues child development factors risk assessment public attitudes and ethical concerns The volume brings together research specifically conducted for this volume in addition to summaries and discussions of clinical and empirical findings Each chapter ends with key takeaway points Contributors include psychologists psychiatrists criminologists sociologists lawyers economists biologists epidemiologists and public health and public policy experts Uniquely they examine murder by juveniles across the globe The volume includes research pertaining to the causes correlates and theoretical explanations of juvenile homicide offending Moving beyond discussions of juvenile homicide offenders JHOs as a homogenous group the volume includes research on specific types of JHOs and research investigating age and gender differences among JHOs In addition it draws attention to the empirical factors associated with juvenile homicide offending effective treatment of JHOs recidivism and prevention of violent behavior The volume also makes recommendations for policy and practice including how to shift government policy from punishing lawbreakers to saving lives This volume is essential reading for scholars and students researching youth violence juvenile homicide across a variety of disciplines including criminology criminal justice law psychology psychiatry sociology social work public health and education It is also an invaluable reference for mental health professionals practitioners in the juvenile and criminal justice systems policymakers and government leaders **A Media Violence-Inspired Juvenile Sexual Homicide Offender 13**

**Years Later** WC. Myers,CF. Eggleston,P. Smoak,2006 No follow up studies exist on how minors who commit sexual homicides adjust once released back into the community This is an important question given the extreme nature of their crimes lack of recidivism data and the expectation that one half of them will be freed from prison by mid life Likewise no studies exist on the role our culture s pervasive media violence plays in these offenses This report describes a 13year old boy who committed a witnessed media violence inspired sexual homicide Follow up information is provided on his community adjustment as an adult four years after release from prison He had multiple indicators of brain dysfunction and watched a

slasher film just before committing the blitz style crime upon a female neighbor Media violence literature is reviewed against a backdrop of developmental abnormalities neuropsychiatric vulnerabilities family dysfunction and mental illness This case illustrates how the confluence of such variables combined with the tinder of erotic screen violence may lead to sexual murder

### **Juvenile Sexual Homicide Introduction**

In today's digital age, the availability of Juvenile Sexual Homicide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Juvenile Sexual Homicide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Juvenile Sexual Homicide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Juvenile Sexual Homicide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Juvenile Sexual Homicide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Juvenile Sexual Homicide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Juvenile Sexual Homicide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Juvenile Sexual Homicide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Juvenile Sexual Homicide books and manuals for download and embark on your journey of knowledge?
