Bynum, 2016-07-20 This sophomore junior level core text is intended for the juvenile delinquency course taught in criminal justice criminology and sociology departments at both four year and two year institutions Taking a sociological approach this text discusses delinquency as it relates to and emerges from the youth s family neighborhood school peer group social class and overall cultural and social environment The author incorporates contributions from sociologists psychologists social workers criminologists and other specialists who have sought to understand explain control and prevent juvenile delinquency *The Handbook of the History and Philosophy of Criminology* Ruth Ann Triplett, 2018-01-04 Featuring contributions by distinguished scholars from ten countries The Wiley Handbook of the History and Philosophy of Criminology provides students scholars and criminologists with a truly a global perspective on the theory and practice of criminology throughout the centuries and around the world In addition to chapters devoted to the key ideas thinkers and moments in the intellectual and philosophical history of criminology it features in depth coverage of the organizational structure of criminology as an academic discipline world wide The first section focuses on key ideas that have shaped the field in the past are shaping it in the present and are likely to influence its evolution in the foreseeable future Beginning with early precursors to criminology s emergence as a unique discipline the authors trace the evolution of the field from the pioneering work of 17th century Italian jurist philosopher Cesare Beccaria up through the latest sociological and biosocial trends In the second section authors address the structure of criminology as an academic discipline in countries around the globe including in North America South America Europe East Asia and Australia With contributions by leading thinkers whose work has been instrumental in the development of criminology and emerging voices on the cutting edge The Wiley Handbook of the History and Philosophy of Criminology provides valuable insights in the latest research trends in the field world wide the ideal reference for criminologists as well as those studying in the field and related social science and humanities disciplines The Will To Kill James Alan Fox, Jack Levin, Kenna Quinet, 2018-03-22 The Will to Kill Making Sense of Senseless Murder is an academic yet engrossing exploration of extraordinary and seemingly inexplicable cases of homicide not to sensationalize them but because these are the cases that inform public opinion and policy Document Retrieval Index , 1974 *Juvenile Justice: A Social, Historical and Legal Perspective* Preston Elrod, R. Scott Ryder, 2009-12-09 **Juvenile Justice: A Social, Historical and Legal Perspective** , **Juvenile Delinquency** Donald J. Shoemaker, 2009 Juvenile Delinquency offers a timely and comprehensive look at the issues of criminal behavior and justice related to young persons In this highly readable text Donald J Shoemaker grounds his readers with a historical perspective then presents a series of sharply focused chapters on schooling religion and family as well as sections on drug use gangs and female delinquency With a strong emphasis on the importance of theory and practice Juvenile Delinquency is a must read for understanding crime and youth culture **Crime**

and Criminal Justice in American Society Randall G. Shelden, William B. Brown, Karen S. Miller, Randal B.

Fritzler, 2015-06-22 Today's headlines vividly illustrate the importance of understanding aspects of the criminal justice system too often ignored. While the second edition of *Crime and Criminal Justice in American Society* includes the most recent statistics on the police, courts, and corrections, its provocative current examples also spur critical thinking about justice in the United States. The authors offer an alternative interpretation of criminal justice rarely presented in traditional textbooks or by the media. They encourage readers to examine their beliefs about crime, punishment, and the law. Discussions in the chapters about how African Americans, Hispanics, whites, women, juveniles, the rich, and the poor experience crime and the criminal justice system contribute context for understanding different viewpoints. The poor and minorities are the most likely to be caught in the net of criminal justice, but inequities have consequences for everyone. Reflection on various perspectives provides helpful input for assessing attitudes and for becoming actively involved with issues that have significant consequences. Eighteen thoroughly revised chapters present historical backgrounds, theories, and emerging issues. New to the second edition is a chapter on veterans involved in the criminal justice system. Affordable, succinct, and engaging, this textbook presents the key concepts of the criminal justice system at less than half the cost of many competing textbooks.

Criminological Theory J. Robert Lilly, Francis T. Cullen, Richard A. Ball, 2018-11-06 The best organized and most comprehensive theory textbook to use for both graduate and undergraduate students. It provides historical context to the theories, and the authors make it easier for students to relate theory to reality. Mirlinda Ndrecka, Ph.D., University of New Haven. Updated Edition of a Best Seller. Offering a rich introduction to how scholars analyze crime. *Criminological Theory: Context and Consequences* moves readers beyond a commonsense knowledge of crime to a deeper understanding of the importance of theory in shaping crime control policies. The Seventh Edition of the authors' clear, accessible, and thoroughly revised text covers traditional and contemporary theory within a larger sociological and historical context. It includes new sources that assess the empirical status of the major theories as well as updated coverage of crime control policies and their connection to criminological theory.

An Introduction to Criminological Theory Roger Hopkins Burke, 2018-11-01 This book provides a comprehensive and up-to-date introduction to criminological theory for students taking courses in criminology at both undergraduate and postgraduate level. Building on previous editions, this book presents the latest research and theoretical developments. The text is divided into five parts, the first three of which address ideal type models of criminal behaviour: the rational actor, predestined actor, and victimized actor models. Within these, the various criminological theories are located chronologically in the context of one of these different traditions, and the strengths and weaknesses of each theory and model are clearly identified. The fourth part of the book looks closely at more recent attempts to integrate theoretical elements from both within and across models of criminal behaviour, while the fifth part addresses a number of key recent concerns of criminology: postmodernism, cultural criminology, globalization, and communitarianism, the penal society.

southern criminology and critical criminology All major theoretical perspectives are considered including classical criminology biological and psychological positivism labelling theories feminist criminology critical criminology and left realism situation action desistance theories social control theories the risk society postmodern condition and terrorism The new edition also features comprehensive coverage of recent developments in criminology including the myth of the crime drop the revitalization of critical criminology and political economy shaming and crime defiance theory coerced mobility theory and new developments in social control and general strain theories This revised and expanded fifth edition of *An Introduction to Criminological Theory* includes chapter summaries critical thinking questions policy implications a full glossary of terms and theories and a timeline of criminological theory making it essential reading for those studying criminology and taking courses on theoretical criminology understanding crime and crime and deviance

Juvenile Delinquency Cliff Roberson, Elena Azaola, 2021-02-08 *Juvenile Delinquency Why Do Youths Commit Crime* focuses on why juveniles commit crime It includes discussions on what constitutes criminal behavior by juveniles the general theories on delinquency and discussions that tie the theories with real life situations The book opens the students eyes to the fascinating concepts involving juvenile delinquency and is designed to provide a complete study of the behavior beliefs conditions and reactions to deviance by young offenders Throughout Cliff Roberson and Elena Azaola gives students a detailed discussion of and what constitutes juvenile delinquency to allow for better understanding of this phenomenon In each of the chapters the authors encourage the student to develop new insights on criminal behavior of juveniles The book makes the subject come alive by the generous use of down to earth examples of the issues involved in the area While each chapter builds on the previous chapters the book is written in a manner to reduce the necessity of memorization by students Each chapter begins with chapter objectives that highlights key points for the student and brief chapter outlines Each chapter closes with a practicum chapter summary and discussion and review questions which enhance student learning The book closes with a glossary where student may refer to they key terms and words throughout the text

Encyclopedia of Domestic Violence Nicky Ali Jackson, 2007-12-11 The *Encyclopedia of Domestic Violence* is a modern reference from the leading international scholars in domestic violence research This ground breaking project has created the first ever publication of an encyclopedia of domestic violence The primary goal of the *Encyclopedia* is to provide information on a variety of traditional as well as breakthrough issues in this complex phenomenon The coverage of the *Encyclopedia* is broad and diverse encompassing the entire life span from infancy to old age The entries include the traditional research areas such as battered women child abuse and dating violence However this *Encyclopedia* is unique in that it includes many under studied areas of domestic violence such as ritual abuse torture within families domestic violence against women with disabilities pseudo family violence and domestic violence within military families It is also unique in that it examines cross cultural perspectives of domestic violence One of the key special features in this *Encyclopedia* is the cross reference section at the end of each entry This allows the

reader the ability to continue their research of a particular topic This book will be an easy to read reference guide on a host of topics which are alphabetically arranged Precautions have been taken to ensure that the Encyclopedia is not politically slanted rather it is hoped that it will serve as a basic guide to better understanding the myriad issues surrounding this labyrinthine topic Topics covered include Victims of Domestic Violence Theoretical Perspectives and Correlates to Domestic Violence Cross Cultural Perspectives and Religious Perspectives Understudied Areas within Domestic Violence Research Domestic Violence and the Law and Child Abuse and Elder Abuse

Juvenile Delinquency Jack E. Bynum, William Edwin Thompson, 1992 Juvenile delinquency is one of the most complex interesting and challenging phenomena in the US Newspapers television and radio bombard us with accounts of juvenile misbehavior and crime which range from truancy to first degree murder Consequently youths who violate the law receive considerable attention from law enforcement officials social agencies criminologists and social and behavioral scientists This book is guided by the basic premise that juvenile delinquency is inherently social in nature Thus any meaningful discussion of delinquency must be expressed in a sociological framework More specifically this book approaches delinquency as it relates to and emerges from the youth s family neighborhood school peer group social class and overall culture and environment This edition includes current and controversial topics such as community policing gun control hate crimes the impact of TV violence boot camps and capital punishment for juveniles Sociologists social workers law enforcers teachers and administrators

Encyclopedia of Domestic Violence Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research The first ever publication of an encyclopedia of domestic violence the principal aim of this title is to provide information on a variety of traditional and breakthrough issues in this complex phenomenon

Corrections Mary K. Stohr, Anthony Walsh, 2016-12-01 Corrections From Research to Policy to Practice offers students a 21st century look into the treatment and rehabilitative themes that drive modern day corrections Written by two academic scholars and former practitioners Mary K Stohr and Anthony Walsh this book provides students with a comprehensive and practical understanding of corrections as well as coverage of often overlooked topics like ethics comparative corrections offender classification and assessment treatment modalities and specialty courts This text expertly weaves together research policy and practice enabling students to walk away with a foundational understanding of effective punishment and treatment strategies for offenders in U S correctional institutions

Corrections: A Text/Reader Mary K. Stohr, Anthony Walsh, Craig Hemmens, 2012-03-20 Corrections A Text Reader Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these

advances are determined by research

Sociological Wisdom William E. Thompson, Mica L. Thompson, 2019-09-10

Sociological Wisdom is based on applying the basic principles of sociology to the world around us. Sociologists study patterns of behavior in order to draw general conclusions about a social issue that transcend the effect of the problem or issue on any particular individual. This is not to say that sociologists are unconcerned about individuals and their lives, but sociology's emphasis is on the way individuals relate to others, people's positions in society, and the interdependence between society and individuals. This text teaches students that it is more important than ever to study human behavior, social groups, and society, utilizing critical thinking skills and careful analysis associated with sociological wisdom.

An Introduction to the Sociology of Juvenile Delinquency David Musick, 1995-02-01 This is a challenging book that makes no attempts to oversimplify and trivialize the highly complex subject of juvenile delinquency. Its approach is both conceptual and historical. It includes information not only about delinquents but also about other types of problem children. By doing so, the broader social environment of delinquency is better understood, and delinquency can be put into a more general conceptual context. Fundamental concepts, interpretive perspectives, and methodologies that are used to describe and analyze juvenile delinquency and related children's problems are presented.

The Engaging Realm of E-book Books: A Thorough Guide Revealing the Pros of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of physical books.
