Palm of the Rainforest Ikénnà Nn?l?, 2020-08-28 I know who I am Kelvin seemed desperate to win his father s approval However Mr Eze not only seemed unwilling to bestow it but hell bent in making life unbearable for his

acclaimed son Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child. He realised that his quest for recognition was unlikely to succeed so he set his eyes on freedom. In the meantime Kelvin expected that a good academic performance would change his luck and put him right with Mr Eze or at least boost his confidence in his abilities. With all his attention on his studies competing for the best grades against the leading brains in his class especially Christian an indomitable rival he would not let school romance get in the way of his goal. But slowly and steadily Chioma gained his trust and won him over. He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship.

New Home New Identity

Marginalised and decimated the Biafran people were forced to go to war and secede from Nigeria. But decades after losing the war and embracing the Nigerian identity they are still not treated as equal citizens in their home country. As a new wave of terrorism sweeps the northern parts of the country the Biafran people predominantly Igbo are again decimated as they have been for decades in every crisis and this led to renewed discussions about their independence. For Biafra the fight for equality was over and their Sovereignty was not negotiable. For Kelvin it wasn't very different and so his quest for truth and independence must begin. His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit. Perhaps it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity.

Books, Buildings, and Learning Outcomes Howard White, World Bank. Operations Evaluation Department, 2004. The Millennium Development Goals aim for universal primary education by 2015 and gender equality in enrolments at all levels of education. The Education for All (EFA) initiative lays out a strategy for achieving these goals. The Bank's own strategy stresses the school quality aspects of EFA emphasizing the need to focus on preserving learning outcomes while access to education is expanded. This report assesses the impact to date of the efforts over the past 15 years toward increasing the quantity and quality of basic education in one African country, Ghana.

The Devil of America Wants Me! Chioma Afoke, 2021-01-21. In the darkest period when the heavy insurgents of attacks were very obvious in my life, I felt the need to fight back. I wanted to fight differently. I was so tired of the constant harassments. Then came the voice of God. He said to me: You cannot do what you are planning to do; put it in writing, tell the world your story. The book shall be titled *The Devil of America Wants Me*. That voice gave birth to this book. I have the complete puzzle, I have the answer. This is my memoir and also an inspiration from God.
