Julie's Story My Life With Lupus:

Julie's Story, My Life with Lupus Julie Miller, 2008-10 Blake Habers hated Indians especially the tribe his sister lived with. He forced her to come home with him. But Amanda had other plans that involved her lawyer Gentry Fox. Though he couldn't help her with her problem, he knew someone who could. Shawna dreaded hearing from her cousin. For it always meant trouble for her. Leaving preparations for the cattle drive in her foreman's hands, she and Joshua went to deal with Gentry for the last time. Once their things became more complicated, namely because of who Amanda's husband turned out to be, Desert Wolf was in search of his wife. But after years of believing she was dead, he was dreaming of his first love, Little Eagle. Suddenly, all his deeply buried feelings for the sultry chief consumed him. Was this a sign she was alive and searching for him? Should he leave his wife for her? Would Little Eagle become his regardless of everything? Of all his questions, this he wanted to know most of all. Kali Ickler had something in common with Shawna, but that didn't stop Desert Wolf from wanting her. Still on the run, the girl reluctantly joins the Kanes in their travels. Knowing her husband's desires, Amanda tries to sway the girl into marriage. But another Indian has other plans for her.

Julie's Story, My Life With Lupus Julie Miller, 2008-10-14

Julie's Story My Life With Lupus sums up the challenges and struggles of a young woman's life in dealing with the very unpredictable disease Lupus. Julie was a young and energetic twenty-four-year-old woman with her whole life ahead of her. Planning the wedding of her dreams to her college sweetheart and finishing her Master's degree in Social Work, life couldn't get any better. Although life was headed in the right direction for Julie, her health had other plans. Julie began noticing vague symptoms which became bothersome to her studies. She hesitated to voice these problems due to the fact she looked fine on the outside. For a year, Julie dealt with ongoing fatigue and pain which was attributed to the stress of planning a wedding and working toward a master's degree. Eventually, the symptoms worsened, and Julie needed to seek medical attention. What would the doctors tell her? How would she react? Ten years later, Julie is talking about how she coped through the challenges and got through the difficult days in dealing with lupus. Life is a rollercoaster, Julie says. It has its ups and downs, but you just have to take one day at a time. I feel God has blessed me with Lupus so that I can reach out to others. My life could be a whole lot worse, and I've seen a whole lot worse. Julie's Story My Life With Lupus has been written for all of those who suffer from an autoimmune disease. Especially the great friends I've made along the way. Some of the proceeds of this book will be donated to the Lupus Foundation to help find a cure for this very unpredictable, life-threatening disease.
