A Companion to Julius Caesar Miriam Griffin,2015-05-04 A Companion to Julius Caesar comprises 30 essays from leading scholars examining the life and after life of this great polarizing figure Explores Caesar from a variety of perspectives

military genius ruthless tyrant brilliant politician first class orator sophisticated man of letters and more Utilizes Caesar s own extant writings Examines the viewpoints of Caesar s contemporaries and explores Caesar s portrayals by artists and writers through the ages **Alexander the Great versus Julius Caesar** Simon Elliott,2022-01-28 An exhaustive comparison of two great leaders using seven traits to judge their military successes with the Macedonian Army and the Republican Roman Army In the annals of ancient history the lights of Alexander the Great and Gaius Julius Caesar shine brighter than any other inspiring generations of dynasts and despots with their imperial exploits Each has been termed the greatest military leader of the ancient world but who actually was the best In this book Dr Simon Elliott first establishes a set of criteria by which to judge the strategic and tactical genius of both He then considers both in turn in brand new up to date military biographies starting with Alexander undefeated in battle and conqueror of the largest empire the world had seen by the age of 26 Next Caesar the man who played the crucial role in expanding Roman territory to the size which would later emerge as the Empire under his great nephew adopted son and heir Augustus The book s detailed conclusion sets each of their military careers against the criteria set out earlier to finally answer the question who was the greatest military leader in the ancient world Takes the attributes of the lives of these two great individuals of history and compares each man against each other beautifully written an informed and comprehensive read UK Historian A truly fantastic book makes the history that Elliott teaches us fun and engaging as we follow these great generals on their exploits It is one of the best ancient history books I have read History with Jackson **The Landmark Julius Caesar** Kurt A. Raaflaub,2019-02-05 The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar Together these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire The Gallic War is Caesar s own account of his two invasions of Britain and of conquering most of what is today France Belgium and Switzerland The Civil War describes the conflict in the following year which after the death of his chief rival Pompey and the defeat of Pompey s heirs and supporters resulted in Caesar s emergence as the sole power in Rome Accompanying Caesar s own commentaries are three short but essential additional works known to us as the Alexandrian War the African War and the Spanish War These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers Caesar s clear and direct prose provides a riveting depiction of ancient warfare and not incidentally a persuasive portrait for the Roman people and for us of Caesar himself as a brilliant moderate and effective leader an image that was key to his final success Kurt A Raaflaub s masterful translation skillfully brings out the clarity and elegance of Caesar s style and this together with such Landmark features as maps detailed annotations appendices and illustrations will provide every reader from lay person to scholar with a rewarding and enjoyable experience With 2 color text maps and illustrations throughout web essays available at <http://www.thelandmarkcaesar.com> **Julius Caesar** William Shakespeare,2004-04-08 The First Folio of 1623 is the definitive edition

of Shakespeare's plays. It is more often than not the closest we can now get to what Shakespeare actually wrote. But the Folio's antiquated typography and cramped layout make it remote and inaccessible to modern eyes. The Shakespeare Folios on the other hand offer easy access directly to the First Folio by presenting the text in modern type but otherwise unchanged. All the First Folio's idiosyncrasies of layout and spelling even its obvious errors have been scrupulously left intact but the text suddenly becomes as easily legible as the script of any modern play. As an additional aid to understanding readers will find printed opposite each page of the Folio the very same passage in a modern edition. So whenever the Folio presents a problem the reader can refer to this parallel text for a solution either in the text itself or in the set of notes at the end of the book. These notes draw on the long tradition of Shakespearean scholarship and include full reference to surviving Quarto texts.

the Roman People Robert Morstein-Marx, 2021-08-26 Julius Caesar was no aspiring autocrat seeking to realize the imperial future but an unusually successful republican leader who was measured against the Republic's traditions and its greatest heroes of the past. Catastrophe befell Rome not because Caesar or anyone else turned against the Republic its norms and institutions but because Caesar's extraordinary success mobilized a determined opposition which ultimately preferred to precipitate civil war rather than accept its political defeat. Based on painstaking reanalysis of the ancient sources in the light of recent advances in our understanding of the participatory role of the People in the republican political system, a strong emphasis on agents' choices rather than structural causation and profound scepticism toward the facile determinism that often substitutes for historical explanation, this book offers a radical reinterpretation of a figure of profound historical importance who stands at the turning point of Roman history from Republic to Empire. *All Things Julius Caesar* Michael

Lovano,2014-12-02 Julius Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar's World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar's time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences **Julius Caesar Master of Surprise** Rose Williams,2013-12-12 This engaging read presents a student friendly overview of the life and accomplishments of Julius Caesar with special emphasis on his family background and early life The biography is based not only on the traditional sources Suetonius and Plutarch but also on the private correspondence and observation of Caesar's contemporaries both his friends and his enemies Based on these sources the book demonstrates that Caesar was a very determined individual who developed and largely managed to execute a series of original responses to the unique situations of his times Julius Caesar Master of Surprise is a must have title for all high school Latin programs Julius Caesar Richard A. Billows,2008-11-28 Julius Caesar offers a lively engaging and thoroughly up to date account of Caesar's life and times Richard Billows dynamic and fast paced narrative offers an imaginative recounting of actions and events providing the ideal introduction to Julius Caesar for general readers and students of classics and ancient history The book is not just a biography of Caesar but an historical account and explanation of the decline and fall of the Roman Republican governing system in which Caesar played a crucial part To understand Caesar's life and role it is necessary to grasp the political social and economic problems Rome was grappling with and the deep divisions within Roman society that came from them Caesar has been seen variously as a mere opportunist a power hungry autocrat an arrogant aristocrat disdaining rivals a traditional Roman noble politician who stumbled into civil war and autocracy thanks to being misunderstood by his rivals and even as the ideal man and pattern of all virtues Richard A Billows argues that such portrayals fail to consider the universal testimony of our ancient sources that Roman political life was divided in Caesar's time into two great political tendencies called

optimates and populares in the sources of which Caesar came to be the leader of one the popularis faction Billows suggests that it is only when we see Caesar as the leader of a great political and social movement that had been struggling with its rival movement for decades and had been several times violently repressed in the course of that struggle that we can understand how and why Caesar came to fight and win a civil war and bring the traditional governing system of Rome to an end [Julius Caesar](#) Patricia Southern,2018-04-15 A monumental new life of Ancient Rome s most illustrious complex and legendary leader Julius Caesar **Julius Caesar by William Shakespeare (Book Analysis)** Bright Summaries,2019-03-28 Unlock the more straightforward side of Julius Caesar with this concise and insightful summary and analysis This engaging summary presents an analysis of Julius Caesar by William Shakespeare one of the Bard of Avon s best known tragedies It tells the story of the group of noblemen who are alarmed by Caesar s increasingly unchecked hold on power in Ancient Rome and their decision to murder him before his ambition can devolve into tyranny and corruption However Caesar s closest friend Mark Antony is determined to exact revenge upon the conspirators leading to a bloody war that sees even those who acted with good intentions punished for their betrayal The story of Julius Caesar has been a popular source of inspiration for many centuries but Shakespeare s version is arguably the best known iteration of the tale and has been performed and adapted countless times Find out everything you need to know about Julius Caesar in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries com Available in print and digital format our publications are designed to accompany you on your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time See the very best of literature in a whole new light with BrightSummaries com [Guide to the Etruscan and Roman Worlds at the University of Pennsylvania Museum of Archaeology and Anthropology](#) University of Pennsylvania.
