of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we've faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and

quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacques butt is getting wider by the minute Jacques doesn't know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally's mind She's broken and no one can fix her not her friends try as they might and not her beautiful mate She'd thought when Costin had rescued her from Jericho's clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she'd done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger

**Piercing Silence** Quinn Loftis, 2015-06-12 It's been six months since Jacques Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacques butt is getting wider by the minute Jacques doesn't know it but the reprieve was about to be over She and Fane thought his demons had been dealt with but the nightmares are back and the In Between is once again ripping a hole inside of her mate Jacques can't stand to see him hurting She can't stand knowing that in some way she was responsible for his struggle because she after all was the subject of his pain from the In Between She'll do anything to stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn't need Others will call it insane Jen will add her own creative descriptions including expletives thrown in for added effect Whatever you call it Jacques calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name **The Burning Claw** Quinn Loftis, 2016-09-10

Jacques mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families But something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital It wasn't Fane he would be with her on the other side she knew that If she died he died too and he wouldn't have it any other way She could feel Peri's presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacques survival Jacques was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin's best friend lay as if

sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn't know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn't stand a chance

Reign of Blood Quinn Loftis,2022-12-27 Because I created you for such a time as this The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die

**Prince of Wolves** Quinn Loftis,2020-09-08 What would it be like to have a true mate What if that mate was a werewolf Three best friends are about to find out Jacque Pierce is an ordinary seventeen year old girl getting ready to start her senior year of high school But when a mysterious Romanian exchange student named Fane Lupei moves in across the street Jacque and her two best friends soon realize the last few weeks of their summer are about to get a lot more interesting From the moment Jacque sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that flame is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul But Fane isn t the only wolf in town Just as Fane and Jacque are getting to know each other a rogue pack appears led by a crazed Alpha Now Fane will have to fight not just for his life but also for the right to claim Jacque as his own Females among

the Canis Lupus are precious Their light extinguishes the darkness found within the male werewolves Fane will need all of Jacques love if he has any chance to defeat his foe and earn the right to a life with Jacques by his side **Den Of Sorrows** Quinn Loftis,2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacques and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacques and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally's return and have Perizada's word that she will be back in time for the birth of Jacques's baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than he could have ever imagined As Perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm's way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same

**Forgotten Silence** Quinn A. Loftis,2017-12-15 Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally's mind She's broken and no one can fix her not her friends try as they might and not her beautiful mate She'd thought when Costin had rescued her from Jericho's clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she'd done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger Unbeknownst to Sally though the magical bracelet that erased her memories was destroyed the magical device deposited something sinister within the girl's mind Now in a last ditch effort to find some sort of healing Sally is being shipped off to her hometown Coldspring TX Little does she know that surprises are awaiting her there that will shake the foundations of all she's ever known Will these new revelations be the key

to eradicating the darkness that has taken root in the healer Or will the secrets that are uncovered be too much for Sally to bear     *Resounding Silence* Quinn Loftis, 2016-12-28 The events chronicled herein occur after the destruction of Reyaz the Warlock which was recounted in *Sacrifice of Love* A few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in *Den of Sorrows* forces the elves fae and werewolves to go to battle once again Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Thalion is loyal to his people above all else As the prince of the Elves it is his duty to protect them His loyalty has never been in question But then he s never met anyone like Cyn before The destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together
