Justification Reconsidered Rethinking A Pauline Theme By Stephen Westerholm November 142013:

Justification Reconsidered Stephen Westerholm, 2013-11-14 Much has been written of late about what the apostle Paul really meant when he spoke of justification by faith not the works of the law This short study by Stephen Westerholm carefully examines proposals on the subject by Krister Stendahl E P Sanders Heikki Raisanen N T Wright James D G Dunn and Douglas A Campbell In doing so Westerholm notes weaknesses in traditional understandings that have provoked the more recent proposals but he also points out areas in which the latter fail to do justice to the apostle Readers of this book will gain not only a better grasp of the ongoing theological debate about justification but also a more nuanced overall understanding of Paul

Justification by Faith Mark A. Seifrid, 1992 This study offers a fresh analysis of the place which justification by faith held in Paul's life and thought by reexamining Paul's conversion and his letter to Rome It challenges the new perspective on Paul Dunn while providing a historical and theological description of Paul's understanding of forensic justification
