Astrology of Midlife and Aging Erin Sullivan, 2005-05-19 The first in depth analysis of how an individual's natal horoscope reveals the unique challenges and opportunities of midlife Between the ages of thirty seven and forty one something mysterious takes place within the psyche Jung called this phase our unlived life assuming rightly that midlife did not inaugurate a time of rapid decay loss of libido and inevitable death but rather ushered in a period in which one might review one's life and build upon a strong foundation toward the next phase of adulthood Acclaimed astrologer Erin Sullivan takes us through the vast changes that astrology

reveals as we reach middle age It is a moment in life that is characterized by the planet Uranus one filled with opportunities to both rethink the past and move forward toward the future witnessing our lives in the way Uranus connotes There exist no maps of the terrain except the natal horoscope *Femina* ,2005 Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **The Art of Midlife** Linda Edelstein,1999-04-30 The subject of midlife has been dominated by the woes of aging menopause divorce hormone replacement therapies aging parents and fleeing children Now a broad ranging new work by clinical psychologist Linda N Edelstein Ph D The Art of Midlife describes the freedom and authenticity that can be made a cornerstone of the middle years She describes three healthy and predictable phases First women relinquish old ways untying themselves from the past and mourning the losses of youth and its illusions By placing less emphasis on the needs of others women can live more creatively and enjoy the present The women Dr Edelstein studied have been able to move to the next step in which they reconnect to themselves They regain their authentic voices simplify life and allow long buried aspects of themselves to emerge Finally women refocus their futures With courage they embrace new people ideas activities and work and pursue adult dreams regardless of external rewards **How to Menopause** Tamsen Fadal,2025-03-25 INSTANT NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER PUBLISHER S WEEKLY BESTSELLER Next Big Idea Club Must Read Book EXPERT DRIVEN GIRLFRIEND APPROVED The perimenopause and menopause manual that cuts through the chaos so you can take back control of your body your confidence and your life from Emmy award winning journalist documentary filmmaker and social media powerhouse Tamsen Fadal If you re ready to feel like yourself again this book is the talk you never had Packed with actionable steps and evidence based tools from a team of 42 experts including neuroscientists menopause certified physicians sex and relationship therapists sleep doctors and a variety of lifestyle mentors and synthesizing research stories and strategies in a way that only a journalist can Tamsen Fadal helps you be your best advocate in a medical system not designed to treat women in midlife understand the options that tame your symptoms whether it s hormone therapy supplements or lifestyle changes implement science backed strategies to get the best sleep of your life be able to talk to your partner about sex low libido painful intercourse or how your hormones might be impacting your relationship embrace your style hair makeup clothes to match your changing body learn simple workouts skincare tips and delicious recipes to deal with belly fat dry skin and hair loss and don t worry it s not all kale salads navigate menopause in the workplace and much much more How to Menopause answers all the questions you didn t know to ask and brings you into a conversation with millions of other women Together we can embrace a stronger sexier self at every stage of midlife from perimenopause through menopause and into our bolden years How to Menopause is more than just advice it provides a lifeline Through her honesty humor research and relentless commitment to women s health Tamsen Fadal has created a guide that is both practical and deeply personal Whether you re just beginning to experience perimenopause or well into this transition these words will leave you feeling more confident more informed and most importantly never alone Lisa Mosconi

PhD New York Times bestselling author of *The Menopause Brain* For all of those millions of women out there struggling with learning how to deal with menopause Tamsen Fadal has written the menopause Bible Ladies you will see yourself reflected in page after page You will no longer feel alone by being 100% seen It s also full of ways to begin managing this new glorious phase of life Halle Berry Transformation Through Menopause Marian Van Eyk McCain,1991-09-30 This is by far the most wise and thought provoking book on menopause that I have ever read It is must reading for every woman who dares to meet the challenges of menopause fully and consciously Christiane Northrup M D This volume presents a holistic theoretical framework for understanding menopause as a major developmental event in women s lives Rather than an unpleasant phase to be endured or alleviated Marian Van Eyk McCain views menopause as an empowering experience that women can use for personal growth Artfully interweaving her research years of clinical experience and her personal perceptions of menopause to create an inspiring new vision of the change of life She goes well beyond a discussion of hormones and hot flashes to uncover the deep emotional and spiritual significance of this time in women s lives This book is not only about change on a personal or physical level but in society as well McCain lays out historical and cross cultural beliefs about menstruation and menopause and the attitudes surrounding them from taboos to reverence and points out that in our modern society women most often either try to ignore or make it through this essential period of womanhood in order to compete in a man s world on male terms In tune with recent feminist thought the author says there is a new womanpower emerging which means that it is time for women to honor their natural cycles There is no other book that combines the insights inspiration and wealth of information contained in this work It is an important book for the alternative minded baby boom generation who are seeking new ways to approach middle age *Actualizing* Ronald D. Gordon Ph. D.,2011-09 If you re encountering this book it may be because you re meant to be with it at this time in your life that there s something here you re supposed to hear and do The book is written in that spirit as if certain words on these pages can invigorate your Actualization mindset and propel you further upward on your Actualizing journey Actualizing is unfolding and cultivating our human potentials and becoming more fully functioning human beings at the levels of mind body heart spirit and relationship This volume is fi lled with more than seven hundred mindset messages mindfulness reminders visualizations affi rmations quotes refl ections questions and exercises Nuggets here can support and jumpstart your Actualizing adventure the one you ve been on your whole life and that you re now wanting to take to the next level You ll dip into this volume to get motivated focused and energized You ll become steeped in self awareness relaxation of body and mind interpersonal communication fi nding authentic voice generative dialogue high quality listening intentionality affi rmation visualization present centeredness and balance and wholeness A few minutes each day and your Actualizing process is accelerated Transformative Negotiation Sarah Federman,2023-08-29 This book fills longstanding gaps in negotiation a field that too often assumes everyone in diverse societies navigates the same realities Elite solutions do not trickle down easily to those breaking cycles of poverty and

disempowerment Asking your boss for a raise at a tech company for example requires a different negotiation strategy than asking Social Services to help you get your kids back from the court Context matters This book makes central how heritage ethnicity wealth gender age education and other factors influence what we ask for how people respond to our requests as well as what is at stake when we negotiate The same strategies used in the boardroom if deployed in the streets can lead to dangerous altercations Based on the wisdom of over 100 individuals who negotiate successfully from the margins the book provides tools for those who need them most and a guide for instructors and managers wishing to support them **A**

Lantern in The Dark Danielle Blackwood,2022-03-08 Meditations Stories Rituals for Life s Crossroads All too often when we find ourselves at a crossroads the conventional ways of understanding where we are can fall short of the mark Intuitively we know we need something more Sacred astrology teaches that there are several distinct rites of passage that can show up as a psychospiritual crisis characterized by intense challenge and confusion We are betwixt and between no longer who we used to be but not yet who we are becoming However these powerful thresholds are where the real magic of our lives happens They usually coincide with significant turning points that lead us toward our life s unique purpose Learn how myth folklore and story can be a source of guidance in difficult times Illuminate the archetypal dimensions of your own story and re enchant your life Learn when to expect the crossroad times throughout your life so you can make peace with the past navigate the present and create a more purposeful future Discover the keys to self realization and step into alignment with who you re becoming Create a self care tool kit for the distinct issues that arise with each crossroads and get clear about what you re calling in Unlock new levels of self awareness through ritual guided meditation and journal reflections crafted specifically for each threshold You will also learn how to support family friends coworkers and clients who are going through difficult times with a transpersonal understanding of where they are and what they re going through Having insight into what time it is in your life can be a lantern in the dark

The Menopause Moment Kelly Casperson M.D.,2025-09-16 What if everything you ve been told about midlife and menopause is wrong For too long women have been fed fear and confusion about hormones aging and what it means to navigate midlife The result is a generation of women left guessing about their own bodies misinformed by outdated science and held back by myths that serve no one This book is not here to tell you what to do it s here to give you the knowledge to decide for yourself because women like you are smart You ll learn the truth about what happens to your body in midlife how hormones actually work without the hype or fearmongering and evidence based strategies to feel your best and the power to live life on your terms in health and with science backed strategies for your longevity Midlife isn t an ending It s an evolution And when you understand what s happening in your body you can step into this next chapter with confidence clarity and power Are you ready to take back the narrative
