Truth from the Earth Art Shotwell,2015-11-03 Written in semi autobiographical style the book intertwines personal testimony scripture and the nature of God The author shows how seemingly trivial or isolated events combine with sad or challenging circumstances over a period of years or even decades to work together for good according to Romans 8 28 These same events may be key factors necessary for us to experience in order to fulfill the plans and purposes God has for nations or individuals as described in Jeremiah 29 11 The book addresses issues which are either unclear or unmentioned in the Bible These include the fate of infants or small children who die before having faith or being baptized what happens to friends relatives or others we love who may have gone through life without knowing Christ as their personal savior and entire populations who have never heard of Christ over many centuries The book identifies the unpardonable sin in a manner that

removes all doubts and questions The book also confronts serious misinterpretation of scripture in what the author calls Gods Greatest Truth or Satans Greatest Deception Finally the author compares the Commentary on Habakkukuncovered in the Dead Sea Scrollsto events in modern history showing that this prophecy of things which were destined for the last generation have been fulfilled Additionally he describes in detail another archeological discovery yet to be revealed which can be verified scientifically and will be incontrovertible proof to Jews and gentiles alike that God is real and Jesus is Lord and Savior Angels in Our Lives Marie Chapian,2006-08-28 This is a definitive book explaining and teaching the presence of angels in the world and their work in our personal lives today It includes sound foundational biblical teaching as well as documented testimonies of angelic activity in today s world in ministries churches and personal lives Address all of the following questions Are angels actually helping and guiding you in your personal life Are angels assigned by God to help you fulfill your destiny in this life How does worship and praising the Lord draw angelic presence in our midst Will include endorsements of leading theologians to validate the biblical accuracy of the book
