

Study Guide on the Constitution

1. What is the Constitution?

The Constitution of the United States is the supreme law of the country. It outlines the structure and powers of the government, and the rights and freedoms of the people.

2. What are the main parts of the Constitution?

The Constitution is divided into three main parts: the Preamble, the Articles, and the Amendments.

- The Preamble sets forth the goals and purposes of the Constitution, including establishing justice, promoting the general welfare, and securing the blessings of liberty.
- The Articles lay out the structure of the federal government, including the powers of the legislative, executive, and judicial branches, as well as the relationship between the federal government and the states.
- The Amendments are changes or additions to the Constitution. They were added to address specific issues or concerns that arose after the original document was written.

3. When was the Constitution written?

The Constitution was written in 1787 during the Constitutional Convention in Philadelphia, Pennsylvania.

4. Who wrote the Constitution?

The Constitution was written by a group of delegates from the thirteen original states who attended the Constitutional Convention. The most famous of these delegates were James Madison, Alexander Hamilton, and Benjamin Franklin.

5. Why was the Constitution written?

The Constitution was written to replace the Articles of Confederation, which had proven ineffective in governing the new nation. The framers of the Constitution wanted to create a stronger federal
