Differentiating Instruction for Gifted Learners Christine L. Weber, Wendy A. Behrens, Cecelia Boswell, 2021-09-03 Differentiating Instruction for Gifted Learners allows educators and stakeholders to examine issues related to differentiating curriculum and instruction in a variety of contexts The case studies in this rich resource analyze various differentiation strategies and their benefits to promote classrooms where every student belongs every student is valued and every student is nurtured The cases facilitate conversations about children and their unique needs by situating learning in authentic and meaningful contexts with the goal of helping educators improve services and programs for gifted and talented students

Things to Consider guide the reader's thinking without imparting an explicit action recommendation or solution. Discussion questions, activities, extensions, and suggestions for additional readings support the standards of excellence set forth in the revised NAGC CEC Teacher Preparation Standards in Gifted and Talented Education and the NAGC CEC Advanced Standards in Gifted Education Teacher Preparation. *Exploring Critical Issues in Gifted Education* Christine L. Weber, Cecelia Boswell, Wendy A. Behrens, 2025-02-11. The new edition of *Exploring Critical Issues in Gifted Education* presents problem-based learning scenarios that explore authentic situations found in K-12 classrooms. The real-world current issue scenarios and cases described in this text are designed to be read and discussed in a short amount of time, allowing the reader to gain greater understanding through empathy, analyze multiple perspectives, and support the standards of excellence set forth in the 2019 NAGC Pre-K-12 Gifted Programming Standards and the Global Principles for Professional Learning in Gifted Education. This new edition features additional cases focusing on professional learning practices in the areas of equity, thrice exceptionality, psychosocial development, and talent development. An engaging course text and a valuable professional development tool, this book will provide decision-making strategies to analyze cases and personalize solutions, allowing educators to gain the insight needed to improve the identification of and services for gifted and talented students.

Independent Study for Gifted Learners Susan K. Johnsen, Susan J. Johnsen, Krystal Goree, 2005. Gifted students like instructional strategies that emphasize independence, such as independent study and discussion. From selecting a topic to using innovative research strategies to reporting results in an interesting way, this book shows you how to help your students succeed at independent study. Educational Resource. **Total School Cluster Grouping and Differentiation** Marcia Gentry, 2014-05-01. The Total School Cluster Grouping Model is a specific research-based total school application of cluster grouping combined with differentiation, focused on meeting the needs of students identified as gifted while also improving teaching, learning, and achievement of all students. This revised and updated second edition of *Total School Cluster Grouping and Differentiation* includes rationale and research followed by specific steps for developing site-specific applications that will make the important art of differentiation possible by reducing the range of achievement levels in teachers' classrooms. Materials to support staff development, including powerful simulations, evaluation management, special populations, differentiation strategies, social and emotional needs, and recommended materials are included. **Increasing Diversity in Gifted Education** Monique Felder, Gloria Taradash, Elise Antoine, 2021-09-03. *Increasing Diversity in Gifted Education* provides guidance for meeting the educational needs of high-potential students across many racial, ethnic, language, and economic groups, as well as some categories of disability. Using this book, educators of high-potential and gifted students from backgrounds that are traditionally underrepresented and underserved in gifted and advanced instructional settings can guide these students to achieve and make significant contributions to all aspects of American society. Practitioners will also gain the information and knowledge needed to increase the identification of culturally, linguistically, and ethnically diverse CLED and
