Idleness, Water, and a Canoe Jamie Benidickson, 1997 This book describes the cultural significance of two centuries of recreational paddling in Canada illustrating through contemporary interviews and published sources what the experience of canoeing has meant to the sport's participants

Idleness, Water, and a Canoe Jamie Benidickson, 1997-01-01 This book describes the cultural significance of two centuries of recreational paddling in Canada illustrating through contemporary interviews and published sources what the experience of canoeing has meant to the sport's participants

Inheriting a Canoe Paddle Misao Dean, 2013-01-01 Inheriting a Canoe Paddle emphasizes the importance of self consciously evaluating the meaning we give to canoes as objects and to canoeing as an activity

Paddling Partners Bruce W. Hodgins, Carol Hodgins, 2008-02-08 Carol and Bruce Hodgins began leading canoe trips in 1957 for Camp Wanapitei on Lake Temagami in Northern Ontario initially to the great rivers of that region and on into Quebec Their first venture north of 60 found them on the South Nahanni soon to be followed by the Coppermine River and by the 1990s their annual tripping took them to the Soper River on Baffin Island included with their richly descriptive accounts of wilderness travel with groups of people are kayak adventures in Baja California Mexico and the Queen Charlottes paddling in and near the Everglades and explorations on Heritage rivers in the Maritimes and along the coast of Newfoundland Few have personally experienced the breadth of wilderness travel in Canada as have the Hodgins husband and wife team Their fifty years as paddling partners a legendary achievement is a story of shared joys challenges triumphs and mishaps delightfully told and augmented by excerpts from daily logs historical insights and the tidbits of experience gleaned over the years

Paddling Her Own Canoe Veronica Strong-Boag, Carole Gerson, 2017-06-22 Frequently dismissed as a nature poet and an Indian Princess E Pauline Johnson 1861-1913 was not only an accomplished thinker and writer but a contentious and passionate personality who talked back to Euro Canadian culture Paddling Her Own Canoe is the only major scholarly study that examines Johnson's diverse roles as a First Nations champion New Woman serious writer and performer and Canadian nationalist A Native advocate of part Mohawk ancestry Johnson was also an independent self supporting unmarried woman during the period of first wave feminism Her versatile writings range from extraordinarily erotic poetry to polemical statements about the rights of First Nations Based on thorough research into archival and published sources this volume probes the meaning of Johnson's energetic career and addresses the complexities of her social racial and cultural position While situating Johnson in the context of turn of the century Canada the authors also use current feminist and post colonial perspectives to reframe her contribution Included is the first full chronology ever compiled of Johnson's writing Pauline Johnson was an extraordinary woman who crossed the racial and gendered lines of her time and thereby confounded Canadian society This study reclaims both her writings and her larger significance

Pleasure Boating on the Thames Simon Wenham, 2014-05-05 The River Thames above London underwent a dramatic transformation during the Victorian period from a great commercial highway into a vast conduit of

pleasure Pleasure Boating on the Thames traces these changes through the history of the firm that did more than any other on the waterway to popularise recreational boating Salter Bros began as a small boat building enterprise in Oxford and went on to gain worldwide fame not only as the leading racing boat constructor but also as one of the largest rental craft and passenger boat operators in the country Simon Wenham's illustrated history sheds light on over 150 years of social change how leisure developed on the waterway including the rise of camping as well as how a family firm coped with the changes brought about by industrialisation a business that today still carries thousands of passengers a year *Environment and Empire* William Beinart, Lotte Hughes, 2007-10-11 This volume uncovers the interaction between people and the elements in very different British colonies throughout the world Providing a rich overview of socio environmental change driven by imperial forces this study examines a key global historical process Levelling the Lake Jamie Benidickson, 2019-02-15 Stretching across Ontario Manitoba and Minnesota the Lake of the Woods and Rainy Lake basin spans boundaries and jurisdictions Levelling the Lake explores a century and a half of social economic and legal arrangements through which the resources and environment of the Lake of the Woods and Rainy Lake watershed have been harnessed and harmed Jamie Benidickson traces the environmental consequences of mining forest industries commercial fishing hydro electricity production and recreation as well as their often unanticipated impacts on local residents including Indigenous communities which encouraged new legal and institutional responses Assessing the transition from primary resource extraction toward sustainable development at a watershed level Levelling the Lake also shows how interjurisdictional and transboundary issues many involving the Canada US International Joint Commission continue to play a significant role throughout the region

Undressed Toronto Dale Barbour, 2021-10-01 Undressed Toronto looks at the life of the swimming hole and considers how Toronto turned boys skinny dipping into comforting anti modernist folk figures By digging into the vibrant social life of these spaces Barbour challenges narratives that pollution and industrialization in the nineteenth century destroyed the relationship between Torontonians and their rivers and waterfront Instead we find that these areas were co opted and transformed into recreation spaces often with the acceptance of indulgent city officials While we take the beach for granted today it was a novel form of public space in the nineteenth century and Torontonians had to decide how it would work in their city To create a public beach bathing needed to be transformed from the predominantly nude male privilege that it had been in the mid nineteenth century into an activity that women and men could participate in together That transformation required negotiating and establishing rules for how people would dress and behave when they bathed and setting aside or creating distinct environments for bathing Undressed Toronto challenges assumptions about class the urban environment and the presentation of the naked body It explores anxieties about modernity and masculinity and the weight of nostalgia in public perceptions and municipal regulation of public bathing in five Toronto environments that showcase distinct moments in the transition from vernacular bathing to the public beach the city's central waterfront Toronto Island the Don River the

Humber River and Sunnyside Beach on Toronto's western shoreline **Canoe Country** Roy MacGregor, 2015-09-08 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo-filled history of the relationship between a country and its canoes. From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author's family roots deep in the Algonquin wilderness to modern families who have canoed across the country, kids and dogs included, *Canoe Country* is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around. Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it. Drawing on MacGregor's own decades spent whenever possible with a paddle in his hand, this is a story of high adventure on white water and the sweetest peace in nature's quietest corners from the author best able and most eager to tell it.

Canoe Nation Bruce Erickson, 2013-06-15 More than an ancient means of transportation and trade, the canoe has come to be a symbol of Canada itself. In *Canoe Nation*, Bruce Erickson argues that the canoe's sentimental power has come about through a set of narratives that attempt to legitimize a particular vision of Canada that overvalues the nation's connection to nature. From Alexander Mackenzie to Grey Owl to Pierre Elliott Trudeau, the canoe authenticates Canada's reputation as a tolerant environmentalist nation, even when there is abundant evidence to the contrary. Ultimately, the stories we tell about the canoe need to be understood as moments in the ever-contested field of cultural politics. *The Politics of the Canoe* Bruce Erickson, Sarah Wylie Krotz, 2021-03-26 Popularly thought of as a recreational vehicle and one of the key ingredients of an ideal wilderness getaway, the canoe is also a political vessel. A potent symbol and practice of Indigenous cultures and traditions, the canoe has also been adopted to assert conservation ideals, feminist empowerment, citizenship practices, and multicultural goals. Documenting many of these various uses, this book asserts that the canoe is not merely a matter of leisure and pleasure; it is folded into many facets of our political life. Taking a critical stance on the canoe, *The Politics of the Canoe* expands and enlarges the stories that we tell about the canoe's relationship to, for example, colonialism, nationalism, environmentalism, and resource politics. To think about the canoe as a political vessel is to recognize how intertwined canoes are in the public life, governance, authority, social conditions, and ideologies of particular cultures, nations, and states. Almost everywhere we turn and any way we look at it, the canoe both affects and is affected by complex political and cultural histories. Across Canada and the U.S., canoeing cultures have been born of activism and resistance as much as of adherence to the mythologies of wilderness and nation building. The essays in this volume show that canoes can enhance how we engage with and interpret not only our physical environments but also our histories and present-day societies. *Canoe Crossings* Sanford Osler, 2014 The canoe has played a particularly important role in British Columbia. This seemingly simple watercraft allowed coastal First Nations to hunt on the open ocean and early explorers to travel the province's many waterways. Always at the crossroads of canoe culture, BC today is home to innovative artists and designers who have rediscovered ancient canoe

building techniques as well as community leaders who see the canoe's potential to bring people together in exciting inspiring ways The book chronicles the evolution of the canoe and its impact on the various people who used it to explore hunt trade fight race create and even heal Dozens of stories of colourful passionate people who have contributed to the province's canoe culture Canoe Crossings will appeal to anyone who has ever sought adventure found solace or seen beauty in a canoe or wondered about the origins of its design Provided by publisher Nipissing Françoise Noël,2015-01-19 The Lake Nipissing area is best known as a voyageur route between the Ottawa River and Georgian Bay visited by explorers missionaries and fur traders All of these travellers however were on a journey elsewhere This book focuses on the less well known story of the area's transformation into a tourist destination between 1875 and 1955 **Tourism as a Pathway to Hope and**

Happiness Tej Vir Singh,Richard Butler,David A. Fennell,2022-12-05 Tourism is often viewed as a phenomenon that brings out the worst in human nature Self interest overuse of resources injustice and cultural erosion are but a few examples This book explores the contrasting view that tourism can be a pathway to hope and happiness The chapters address areas including wellbeing positive psychology hopeful tourism mindfulness peace responsible tourism and spirituality The volume examines the role of tourism in preserving natural wonders and architectural masterpieces bringing out the best in tourists and locals and adding economic value if planned developed and managed sustainably It will be a useful resource for students and researchers in tourism psychology and philosophy *Culinary Landmarks* Elizabeth Driver,2008-04-05 Culinary Landmarks is a definitive history and bibliography of Canadian cookbooks from the beginning when La cuisinière bourgeoise was published in Quebec City in 1825 to the mid twentieth century Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a locally authored text or a Canadian edition of a foreign work Every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women's groups The entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the country over 125 years Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada while brief introductions for each province identify regional differences in developments and trends Four indexes and a Chronology of Canadian Cookbook History provide other points of access to the wealth of material in this impressive reference book **Canoe and Canvas** Jessica Dunkin,2019-09-10 Canoe and Canvas is a close reading of the annual

meetings and encampments of the American Canoe Association between 1880 and 1910 *The Nurture of Nature* Sharon Wall,2010-01-01 Thousands of children attended summer camps in twentieth century Ontario Did parents simply want a break or were broader developments at play The Nurture of Nature explores the history of summer camps and sheds light on

a wider phenomenon the divided consciousness that informs modern assumptions about nature technology and identity Wall examines how two competing tendencies antimodern nostalgia and modern sensibilities about the landscape child rearing and identity played out in the camp s interaction with nature its class and gendered dimensions its engagement with emerging ideologies of childhood and in the politics of race inherent in its Indian programming The Nurture of Nature offers a fascinating discussion of the summer camp s contribution to modern social life that will appeal to students and practitioners of the history of childhood the natural environment and recreation or anyone who has been packed off to camp and wants to explore why

Symbols of Canada Michael Dawson, Catherine Gidney, Donald Wright, 2018-10-23 From Timbits to totem poles Canada is boiled down to its syrupy core in symbolic forms that are reproduced not only on t shirts television ads and tattoos but in classrooms museums and courtrooms too They can be found in every home and in every public space They come in many forms from objects like the red uniformed Mountie the maple leaf and the beaver to concepts like free healthcare peacekeeping and saying eh But where did these symbols come from what do they mean and how have their meanings changed over time Symbols of Canada gives us the real and surprising truth behind the most iconic Canadian symbols revealing their contentious and often contested histories With over 100 images this book thoroughly explores Canada s true self while highlighting the unexpected twists and turns that have marked each symbol s history

The Culture of Flushing Jamie Benidickson, 2011-11-01 To most the flush of a toilet is routine the way we banish waste and ensure cleanliness It is safe efficient necessary nonpolitical and utterly unremarkable Yet Jamie Benidickson s examination of the social and legal history of sewage in Canada the United States and the United Kingdom demonstrates that the uncontroversial reputation of flushing is deceptive The Culture of Flushing is particularly relevant in a time when community water quality can no longer be taken for granted as it investigates and clarifies the murky evolution of waste treatment The Culture of Flushing is essential reading for specialists in environmental history environmental law public health engineering and public policy Those concerned with protecting water quality and the environment will also find it unique comprehensive and accessible

Idleness Water And A Canoe Reflections On Paddling For Pleasure: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Idleness Water And A Canoe Reflections On Paddling For Pleasure : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
