issues raised by international sports arbitration and commentaries by esteemed academics and experienced practitioners on the most important decisions of the year by the CAS and national courts Dr Antoine Duval is Senior Researcher at the T M C Asser Instituut in The Hague and heads the Asser International Sports Law Centre div Prof Antonio Rigozzi teaches international arbitration and sports law at the University of Neuchâtel Switzerland and is the partner in charge of the sports arbitration practice at Lvy Kaufmann Kohler a Geneva based law firm specializing in international arbitration

The Rule of Law at the National and International Levels Machiko Kanetake, André Nollkaemper, 2016-04-21 This book aims to enhance understanding of the interactions between the international and national rule of law It demonstrates that the international rule of law is not merely about ensuring national compliance with international law International law and institutions eg international human rights treaty monitoring bodies and human rights courts respond to national contestations and show deference to the national rule of law While this might come at the expense of the certainty of international law it suggests that the international rule of law can allow for flexibility national diversity and pluralism The essays in this volume are set against the background of increasing conflict between international and national legal norms Moreover the book shows that international law and institutions do not always command blind national obedience to international law but incorporate a process of adjustment and deference to national law and policies that are protected by the rule of law at the national level

The Legacy of Bosman Antoine Duval, Ben Van Rompuy, 2016-05-25 In December 1995 the Court of Justice of the European Union delivered its judgment in its most famous case to date the Bosman case Twenty years later this book explores in detail how this landmark judgment legally and politically transformed the relationship between the European Union and sport Written by leading academics in the field the ten contributions in this book reflect on how Bosman fundamentally shaped the application of EU law to sport and its transformative effects on sports governance The book s innovative perspectives on the Bosman ruling makes it important reading for scholars practitioners and policy makers concerned with EU law and Sports law With a foreword by Prof Dr Carl Otto Lenz Advocate General at the Court of Justice in the Bosman case Dr Antoine Duval is Senior Researcher for International and European Sports Law at the T M C Asser Instituut in The Hague He holds a Ph D on the interaction between Lex Sportiva and EU Law from the European University Institute in Florence where he was the conveyor of the Transnational Law Working Group Prof dr Ben Van Rompuy is a senior researcher at the T M C Asser Instituut where he heads the ASSER International Sports Law Centre and is Visiting Professor of Competition Policy at the Free University of Brussels VUB He holds a Ph D in law from the VUB and held visiting scholar positions at Georgetown University and New York University The book appears in the ASSER International Sports Law Series under the editorship of Prof Dr Ben Van Rompuy Dr Antoine Duval and Marco van der Harst

Wessel, 2015-05-15 The Netherlands Yearbook of International Law was first published in 1970 It offers a forum for the publication of scholarly articles of a more general nature in the area of public international law including the law of the european Union One of the key functions or purposes of international law and law in general for that matter is to provide long term stability and legal certainty Yet international legal rules may also function as tools to deal with non permanent or constantly changing issues and rather than stable international law may have to be flexible or adaptive Prima facie one could

think of two main types of temporary aspects relevant from the perspective of international law First the nature of the object addressed by international law or the problem that international law aims to address may be inherently temporary temporary objects Second a subject of international law may be created for a specific period of time after the elapse of which this entity ceases to exist temporary subjects These types of temporariness raise several questions from the perspective of international law which are hardly addressed from a more conceptual perspective This volume of the Netherlands Yearbook of International Law aims to do exactly that by asking the question of how international law reacts to various types of temporary issues Put differently where does international law stand on the continuum of predictability and pragmatism when it comes to temporary issues or institutions

Il diritto amministrativo oltre i confini Stefano Battini, 2008 **Riforme istituzionali e disciplina della politica** Sabino Cassese, 2015-07-13T00:00:00+02:00 Il volume riguarda due temi di forte attualit quello delle riforme realizzate nel settore pubblico negli ultimi decenni unitamente all'analisi delle cause e degli effetti quello della disciplina della politica includendo in questa espressione tanto i partiti e movimenti politici quanto i rappresentanti dei governi centrale e territoriali In particolare la prima parte del volume relativa alla disciplina della politica approfondisce il delicato tema del finanziamento dei partiti seguito dall'analisi dello status e della condotta degli esponenti politici in rapporto soprattutto alla crisi dei partiti nel sistema italiano Questa parte si chiude con lo studio della regolazione dei partiti politici considerando anche le esperienze di alcuni Stati membri dell'Unione europea La seconda parte raccoglie contributi in tema di storia delle riforme istituzionali dal 1948 al 2015 evoluzione della legislazione elettorale dal 1993 al 2013 sviluppo delle riforme amministrative in Europa e nell'ordinamento italiano La ricostruzione altresì arricchita da articolati approfondimenti bibliografici e tabelle cronotavole riepilogative delle iniziative e degli atti di maggiore rilievo a livello istituzionale dall'adozione della Costituzione ad oggi Le restanti parti del volume contengono note sui rapporti tra dottrina e giurisprudenza amministrativa su alcune rilevanti decisioni giudiziarie in materia di valutazioni tecniche sull'accesso dell'Unione europea alla Cedu nonché ulteriori note recensioni e notizie sulle più recenti pubblicazioni e sugli eventi di interesse scientifico a livello nazionale e internazionale

Ethical Leadership in International Organizations Guilherme Vasconcelos Vilça, Maria Varaki, 2021-05-20 This book offers an innovative interdisciplinary approach that elucidates the importance of virtue ethics to help better understand the role of leadership in international organisations The authors use a combination of theoretical and conceptual narratives as well as case studies to highlight both the advantages and weaknesses that the angle of virtue ethics offers A particularly important step in times of uncertainty or crisis when the demand for leadership becomes more urgent yet more daunting In this sense this volume oscillates between critique and hope since it provides a plausible rather than a purely abstract approach to the conceptualization and concretization of ethical leadership

Il diritto sportivo Mario Sanino, 2024-12-11 Il volume giunto alla quinta edizione dedicato all'esame di tutti gli aspetti di quello che può definirsi il diritto dello sport di tutte le norme cioè da quelle dell'ordinamento statale a quelle emanate dai soggetti che compongono il c

d ordinamento sportivo Una parte del volume dedicata come comprensibile al fenomeno della Giustizia Sportiva ed ai suoi rapporti con la giurisdizione statale nell'altra numerosi capitoli si occupano non solo di tutti i soggetti dell'ordinamento sportivo e della loro attività ma anche di aspetti e di complessi normativi concernenti fenomeni strettamente collegati con lo sport stata riportata la giurisprudenza più recente con particolare riguardo al contributo della Corte Costituzionale anche le posizioni assunte dal Consiglio di Stato soprattutto in tema di riparto di giurisdizione vengono valutate adeguatamente D'altro canto nel tempo trascorso tra la prima edizione e quella attuale non pochi sono stati i mutamenti e le novità in molte delle materie trattate Inoltre si ritenuto di dover accentuare il carattere di completezza dell'intera trattazione inserendo nella edizione attuale ampi riferimenti alle particolari norme che sotto lo stretto profilo del diritto societario tengono conto delle caratteristiche delle società sportive

Enforcement of Transnational Regulation Fabrizio Cafaggi, 2012-01-01 Globalization pushes the boundaries of markets Alongside the greater goods of transnational economic activity come the bads of unregulated conduct This important book looks to the new frontiers of legal intervention to make sure that global markets do not run riot over important public values The signal contribution is not the search for ever higher levels of transnational authority the superstates of a brave new world but empowering numerous private actors to enforce legal norms in our fast changing economic environment Samuel Issacharoff New York University School of Law US This book addresses the different mechanisms of enforcement deployed in transnational private regimes vis vis those in the field of public transnational law Enforcement represents a key dimension in measuring the effectiveness and legitimacy of transnational private regulation This detailed book shifts the focus from rule making to enforcement and compliance and moves from a vertical analysis to a comparative sectoral analysis Both public and private transnational regulation fall under the scrutiny of the authors and the book considers the effectiveness of judicial models of enforcement under international law and through national courts and of non judicial means Comparisons are drawn across sectors including international commercial law labor law finance Internet regulation and advertising Enforcement of Transnational Regulation will appeal to scholars of both private and public law regulation and comparative law It will also prove a stimulating and challenging read for policy makers and law makers
