Glocalized Solutions for Sustainability in Manufacturing Jürgen Hesselbach,Christoph Herrmann,2011-03-19 The 18th CIRP International Conference on Life Cycle Engineering LCE 2011 continues a long tradition of scientific meetings focusing on the exchange of industrial and academic knowledge and experiences in life cycle assessment product development sustainable manufacturing and end of life management The theme Glocalized Solutions for Sustainability in Manufacturing addresses the need for engineers to develop solutions which have the potential to address global challenges by providing products services and processes taking into account local capabilities and constraints to achieve an economically socially and environmentally sustainable society in a global perspective Glocalized Solutions for Sustainability in Manufacturing do not only involve products or services that are changed for a local market by simple substitution or the omitting of functions Products and services need to be addressed that ensure a high standard of living everywhere Resources required for manufacturing and use of such products are limited and not evenly distributed in the world Locally available resources local capabilities as well as local constraints have to be drivers for product and process innovations with respect to the entire life cycle The 18th CIRP International Conference on Life Cycle Engineering LCE 2011 serves as a platform for the discussion of the resulting challenges and the collaborative development of new scientific ideas *Energy Efficient Manufacturing* John W. Sutherland,David A. Dornfeld,Barbara S. Linke,2018-08-14 Over the last several years manufacturers have expressed

increasing interest in reducing their energy consumption and have begun to search for opportunities to reduce their energy usage In this book the authors explore a variety of opportunities to reduce the energy footprint of manufacturing These opportunities cover the entire spatial scale of the manufacturing enterprise from unit process oriented approaches to enterprise level strategies Each chapter examines some aspect of this spatial scale and discusses and describes the opportunities that exist at that level Case studies demonstrate how the opportunity may be acted on with practical guidance on how to respond to these opportunities Programming Manual, Mori-FANUC 0TA, MFNC-L3(F-10TA), Mori, FANUC
