

NEW JERSEY NOTARY PUBLIC MANUAL

(Revised April 20, 2020)

Introduction

The office of Notary Public is a vital public function. Notaries are called upon to perform many valuable services for New Jersey's business, legal and financial communities. Effective notary services help to ensure that documents are properly executed, that facts are duly certified, and above all, that the general public is protected from fraud. Notarization is essential for many official documents including mortgages, deeds, contracts, and various corporate transactions.

This manual is designed to provide Notaries with practical guidance on how to perform notary services. By following the manual's guidelines, Notaries will operate from a structured procedural foundation and thereby help foster the levels of diligence and accuracy required for the on-going success of the office.

The Division of Revenue's Business Support Services Bureau serves as the administrative agency for the Notary Public program in New Jersey. To contact the Bureau, e-mail us or write:

NJ Division of Revenue
Business Support Services/Notary Section
PO Box 452, Trenton, NJ 08646

Note: State law specifies that a notary public who is not licensed as an attorney-at-law shall not use or advertise the title of lawyer or attorney-at-law. A Notary who advertises his services must provide a statement "I am not an attorney licensed to practice law and may not give legal advice about immigration or any other legal matter or accept fees for legal advice".
