Health Safety Solutions Practical Compliance is a reworking and updating of Jordan Publishing's Health and Safety Management published by LexisNexis from 1997 to 2023. The book takes a comprehensive approach by covering the main subject areas of occupational health and safety and is relevant to all types of workplaces. It provides enough background knowledge for the reader to understand what the law requires and what needs to be done to achieve compliance with the main emphasis being on practical application. Providing the reader with the ability to manage health and safety through a process of flowcharts, diagrams and extensive checklists, the book draws on the expertise of the authors and current best practice within industry. Each chapter sets out a clear practical approach to identifying and managing risks, thereby enabling a robust and successful health and safety management system to be established in any workplace. The book is written for non-safety professionals such as managers and directors who want to discharge and manage their health and safety responsibilities in their workplace without the need to engage a consultant. It will also appeal to the safety professional by providing an authoritative guide to current best practice together with the practicalities of managing health and safety risks.
