The Games with Devils Are Over Lucien Nzeyimana, 2012-03 This book is about love hate disappointment and betrayal Eros is represented by Jack's love towards Nikita His attraction to Nikita embodies the force of love The counterpart was hate as Nikita's feelings were all directed to the opposite side killers of her father brother and ex boyfriends Philia and agape helped Jack get along with his destroyers and rivals Jack is also fond of people who do the right thing His case is an example of true forgiveness He saw Dick Garam and Juvenhack as human beings worthy of respect He forgave and loved the very people whose desire was not only to destroy his family but also to annihilate a group of people Though Jack never liked their actions since childhood he still treated them with kindness love and respect Jack's life was marked by a conflict between folly and resignation Folly is portrayed by evils of oppression and dictatorship of Evildoers who ruled the postcolonial Burundi The main character of Dickson Rushatsihori is presented as the symbol of evil the prototype of Evildoers He is a rigid and corrupted individual who would never wish peace to his fellow citizens Rather than seeing Burundians living in harmony with one another this proponent of the status quo would only wish evil chaos and anarchy to his country The theme of folly is also depicted in Jack's relationship with Nikita Chissocco It is illustrated by Nikita's betrayal of his love for her Nikita expresses her folly through abusive language domestic violence infidelities and her collaboration with Evildoers such as Dick Juvenhack Zim and Garam to destroy her husband's dignity Jack was forced to a war for the liberation of his mind imprisoned in his own house He hoped that folly and resignation would eventually coil up He would not accept that his destiny was to suffer all his life Folly and resignation finally collided forcing Jack to defend his honor and dignity By breaking up with Dick and Nikita's folly he liberated himself from a heavy burden He pulled himself together to reconstruct his life with more strength and courage This captivating story is an account of one's life yet it will touch those of so many Not only does it bring into the fore the injustices of this world it also shows that no matter what life throws at us we all seek love and closeness with another human being

End of Upsetting Games Lucien Nzeyimana, 2014 Life is not always a bowl of cherries As the world we live in becomes more complex we face new challenges unforeseen and almost unimaginable only a generation ago Yet for those living in oppression little changes with time Jacob Barak was born and raised in Burundi where Evildoers treated members of his tribe as immoral beings Yet as a young boy he was full of joy and optimism As he grew and his horizons widened he saw the injustice his people were subjected to He witnessed firsthand soldiers and civilians pounding their country fellows with sledgehammers and rocks or stabbing them with butcher knives and bayonets Soldiers and cops could just kill innocent people burying many others alive Some of the killers were his schoolmates classmates neighbors or friends Others were their parents or siblings Victims were his relatives friends or just acquaintances and they were of all ages Professionals were the main targets of the Evildoers Assailants and their victims had much in common They were human beings and they were Burundians Most importantly they were created in the same image of God As innocent civilians including his own family were either killed or sent into hiding Jacob strived to make a change His life journey took him into many dangerous situations escaping certain death on several occasions He crossed the borders lakes and oceans to seek asylum in foreign countries only to see that once our basic needs are met we will always strive for more ultimately seeking peace and love After struggling in numerous refugee camps where he often slept under the open sky Jacob had finally had enough Now already an adult and a father he was determined that his children would live a different life away from hatred and injustice Still by moving to Canada a land of living blue skies as he liked to call it he did not find life a rose as he hoped Thus Nikita Chissocco his childhood friend seemed to be a dream come true She epitomized the joy he had lost a link to his homeland a friend a lover and a mother to his future children Little did he know that she would only bring misery to his life Always a free spirit she soon brought his old enemies into his life threatening his family but also his very life Jacob decided to end the upsetting games by chasing demons from his house And you how far are you prepared to go in order to fulfill your dreams
