 Maia Carter Hallward, Ji Eun Kim, Cécile Mouly, Timothy Seidel, Zubairu Wai, 2025-06-07 The Sage Handbook of Peace and  
 Conflict Studies offers a comprehensive exploration of the complexities of violence conflict and peace from a global  
 interdisciplinary perspective The handbook addresses the traditional Western centric approach while emphasizing the need  
 to integrate Global South perspectives to create a more inclusive and transformative understanding of peace and conflict  
 While important voices in peace and conflict studies have long stressed the need to not only address direct violence but also  
 structural and cultural one certain strands of the field have upheld conservative knowledge production and reinforced  
 unequal power structures This volume seeks to challenge these biases by foregrounding critical and decolonial approaches  
 that emphasize gender race culture global history and political economy Its diverse chapters invite us to question  
 mainstream assumptions and promote a broader more inclusive analysis of peace and conflict The handbook explores the  
 evolution of the field highlighting the impact of historical events and the role of oppositional knowledge in political change It  
 offers a critical overview of theoretical approaches emphasizing reflexivity inclusivity and the importance of local actors in  
 peace and conflict dynamics Additionally it examines how cultural and disciplinary assumptions shape peacebuilding and  
 conflict transformation and it critiques traditional global narratives on issues like governance climate change and human  
 rights Finally the handbook presents real world case studies that integrate themes of decoloniality race gender and power  
 inequalities across diverse global contexts By centering the Global South and integrating interdisciplinary perspectives this  
 handbook provides valuable insights for scholars and practitioners committed to fostering a more equitable and just world
