*A Manual Greek Lexicon of the New Testament (Classic Reprint)* G. Abbott-Smith, 2016-06-26 Excerpt from A Manual Greek Lexicon of the New Testament The need of a new greek english Lexicon of the New Testament will hardly be questioned Thayer s monumental work deservedly the standard for more than thirty years past and supplemented by later literature still likely to remain a standard of reference for sometime to come was rather too bulky to serve as a table companion to the New Testament for the average man A smaller book which would lend itself more readily to constant reference has been a real and growing want for the student About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of

imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**New Testament Words** William Barclay,2000-01-01 Studies the meaning of such key New Testament words as agape charisma and hubris in classical and Hellenistic Greek the Septuagint and the papyri     **A Manual Greek Lexicon of the New Testament - Primary Source Edition** George Abbott-Smith,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification A Manual Greek Lexicon Of The New Testament George Abbott Smith Scribner 1922 Greek language Biblical     *A Greek and English Manual Lexicon to the New Testament* J.
