## **Kpmg Tax Planning Guide 2015:**

**Uncertainties and Risk Assessment in Trade Relations** Ojo, Marianne, 2017-11-30 Country's affairs are greatly impacted by shifts in government thus the availability of research on current happenings within governmental policy and relations is imperative to keep citizens informed. *Uncertainties and Risk Assessment in Trade Relations* presents an innovative examination of the ambiguities of foreign importing and exporting and its impact on governmental aspects such as global relations and financial stability. Featuring coverage on a range of topics including border adjustment tax reforms and liquidity regulation, this publication is targeted towards academicians, researchers, and students interested in the recent happenings and opinions of international trade.

**A Guide to the Anti-Tax Avoidance Directive** Werner Haslechner, Katerina Pantazatou, Georg Kofler, Alexander Rust, 2020-06-26 This book provides a concise practical guide to the European Union's Anti Tax Avoidance Directive (ATAD). Presenting unique insights into the ATAD's five specific anti-avoidance rules, its chapters explain the background of those rules, the directive's interactions with relevant jurisprudence, and the challenges posed to the ATAD's interpretation and implementation in domestic law.

**Internet Taxation and E-Retailing Law in the Global Context** Moid, Sana, Dixit, Shailja, 2018-03-09 As business becomes more globalized and developed within the era of the internet, marketing activities are affected by evolving technologies. Challenges arise in addressing the issues of cross-policy and cross-border business in the digital age. *Internet Taxation and E-Retailing Law in the Global Context* provides emerging research on the methods and approaches to determine the appropriate tax policies for e-retailers within the global framework. While highlighting topics such as cross-border taxation, digital economy, and online management, this publication explores the developing avenues of online financial analysis and taxation. This book is an important resource for business leaders, financial managers, investors, consumers, researchers, and professionals seeking current research on the different issues surrounding online business and e-commerce from an international standpoint.

**Tax Planning and Compliance for Tax-Exempt Organizations** Jody Blazek, 2015-11-09 The essential nonprofit tax guide, updated with the latest rules and requirements. The 2015 Cumulative Supplement to *Tax Planning and Compliance for Tax-Exempt Organizations* is the latest addition to the indispensable guide to navigating nonprofit tax issues stemming from evolving regulations and IRS procedures. This most recent supplement is packed with checklists and examples that ease the filing process. This new supplement is updated to align with the relevant changes in IRS forms, requirements, and procedures to help you ensure full compliance with the most up-to-date regulations. Clear, concise instructions guide you through important forms and documents, and expert discussion provides insight on specific issues such as unrelated business income, private inurement, affiliations, and employment taxes. Helpful checklists highlight critical concerns, sample documents provide clarification and example, and the nonprofit-specific guidance leads you through obtaining tax exemption, reporting, compliance, testing, and lobbying expenditure management. Nonprofit organizations contend with the possibility of losing their tax-exempt status on a

daily basis Qualification application maintenance and management every aspect of that vital status requires a solidly executed strategy for ensuring compliance with federal state and local regulations The 2015 Cumulative Supplement helps you put your strategy into action with a host of valuable tools and expert guidance on the practical aspect of nonprofit tax planning Follow line by line instructions for forms and applications Access easy checklists for reporting compliance eligibility and more Examine sample bylaws applications and forms Utilize comparison charts and other visual aids for easy reference Review bullet lists that compare what is and what is not acceptable Tax rules and regulations change annually and nonprofit organizations know that staying compliant means staying up to date Wading through tax code is less than helpful in the field where clear practically oriented instruction provides the quick reference accountants lawyers and executives need The 2015 Cumulative Supplement to Tax Planning and Compliance for Tax Exempt Organizations is the essential time saving guide to the latest in nonprofit tax rules regulations and procedures
