Kristy's Book (The Baby-Sitters Club Portrait Collection) Ann M. Martin, 2016-09-27 From the bestselling author of the generation-defining series *The Baby-Sitters Club* comes a series for a new generation. At last it's my turn to write about my favorite subject: me. Everyone else has complained about writing their autobiographies, but I've been looking forward to it. It's a chance for me to think about all the things that have happened in my short but incredible life. Some were happy, some were sad, some were funny. For instance, I was almost born in Yankee Stadium. Maybe that's why I like softball so much. And look at all the changes my family has been through: starting with my parents' divorce and ending with the time I finally saw my father again seven years later. See what I mean. My short so far but incredible life. Who knows where I'll go from here? There's always the White House.
