Bringing the English Curriculum to Life David

Didau, 2024-04-12 Bringing the English Curriculum to Life builds on David Didau's groundbreaking book Making Meaning in English by showing how the principles of the original book can be applied in schools and classrooms. Drawing together experiences of designing, teaching, supporting and assessing English across the schools within Ormiston Academies Trust OAT, this book demonstrates what an ambitious, coherently sequenced, broad and balanced English curriculum with successful adaption for students with SEND can look like in practice. Designed around the explicit teaching of the powerful conceptual knowledge students need to master the discipline, the book offers a fully resourced English curriculum packed with teaching suggestions and examples of high quality practice. Covering intent, implementation and assessment and outlining in detail what is included in each module for KS3 and 4, the curriculum can be adopted in its entirety but is also flexible enough for departments to take modules and slot them into their own curriculum. Providing an inspiring model for teaching English that enables all students to succeed, this is an essential resource for all English teachers and school leaders responsible for curriculum development.

Primary Professional Studies Alice Hansen, 2018-06-04

Primary teacher training is challenging. Trainees must be prepared to consider teaching in innovative ways while remaining focused on the unchanging requirements of children's learning. The fourth edition of this popular core book supports trainee teachers working towards primary QTS who need to take account of the diverse aspects of primary professional studies. This is a comprehensive core text for the primary professional studies module. It begins with an exploration of the curriculum and reviews the current curriculum. The text moves on to look at The Developing Child, encouraging students to focus on child-centred teaching and learning and explores the needs and learning journeys of all children. The fourth edition includes new chapters on technology and learning, mindfulness in the classroom, reflective practice and completing research and writing assignments for primary teacher training.

Closing the Reading Gap Alex Quigley, 2020-03-31

Our pupils' success will be defined by their ability to read fluently and skilfully. But despite universal acceptance of reading's vital importance, the reading gap in our classroom remains and it is linked to an array of factors such as parental wealth, education and book ownership as well as classroom practice. To close this gap, we need to ensure that every teacher has the knowledge and skill to teach reading with confidence. In Closing the Reading Gap, Alex Quigley explores the intriguing history and science of reading, synthesising the debates and presenting a wealth of usable evidence about how children develop most efficiently as successful readers. Offering practical strategies for teachers at every phase of their teaching career as well as tackling issues such as dyslexia and the role of technology, the book helps teachers to be an expert in how pupils learn to read as well as how they read to learn and explores how reading is vital for unlocking a challenging academic curriculum for every student. With a focus on nurturing pupils' will and skill to read for pleasure and purpose, this essential volume provides practical solutions to help all teachers create a rich reading culture that will enable every student to thrive in school and far beyond the school gates.
