Extraordinary Valor William Reeder,2022-06-15 A Congressional Medal of Honor Account Extraordinary Valor is the story of Special Forces Major John Duffy's Medal of Honor gallantry at Firebase Charlie and the heroism of South Vietnamese paratrooper Major L V n M who fought by his side It is the true story of their battle to defend Charlie Hill a key to holding Vietnam's Central Highlands during North Vietnam's 1972 Easter Offensive John Joseph Duffy was born in New York City Le Van M in a small village outside the old imperial capital of Hue in South Vietnam Living on opposite sides of the globe they come together in the heat of war in Southeast Asia when Major Duffy is assigned as the American advisor to the elite South Vietnamese 11th Airborne Battalion where M is second in command The battalion receives the order to Fight to the death on Charlie Hill After two weeks of intense combat hundreds lay dead and those still standing are out of food water and medical supplies Their ammunition is nearly gone Duffy and M draw on their bond of friendship and trust to make a selfless two man last stand against the final North Vietnamese human wave assault Both are badly wounded Duffy multiple times Their heroic action allows 36 members of the 471 man battalion to escape and be rescued The rest are killed captured or missing in action This is their story **Alliances & Armor** Jim Pomeroy,2025-07-10 Jim Pomeroy's Alliances Armor bridges the gaps between

Cold War diplomacy and military operational history With a firm grasp of multi archival and secondary sources Pomeroy provides a comprehensive look at the international issues that influenced Hanoi's decisions in the Second Indochina War in a concise and deftly written narrative This is a strong addition to the voluminous literature of the war in Vietnam Kelly Crager Vietnam Center and Sam Johnson Vietnam Archive The People's Army of Vietnam's decision to utilize armor as part of its warfighting strategy was a product of various geopolitical factors that surrounded Hanoi during various parts of the Vietnam War During the First Indochina War the People's Republic of China PRC emerged as the foremost communist benefactor of North Vietnam The Soviet Union however largely stood by While worried by the PRC's and Soviet Union's actions during the Geneva Conference of 1954 Hanoi still felt the need to maintain good relations with both countries This was reinforced when the Sino Soviet split occurred in 1956 and Hanoi was forced to walk a tight rope between Beijing and Moscow As the United States escalated its war in Vietnam Moscow now under new leadership sought to increase its material support for Hanoi As the war progressed Hanoi sought to fight larger battles against the Americans and their South Vietnamese allies In order to fight larger battles the PAVN needed more modern military equipment that only the Soviet Union could provide This paired with the chaos of the ongoing Cultural Revolution in China led Hanoi to lean more towards Moscow in the latter years of the Vietnam War As part of this newly blossomed relationship Moscow began to furnish the PAVN with more modern weapons including Soviet armor Initially the PAVN's use of armor at Lang Vei 1968 and Laos 1971 was met with some success However in 1972 Hanoi panicked as the United States began to reach détente with Beijing and Moscow This led to fears of another Geneva and thus lead Hanoi to pursue a rushed Easter Offensive in March 1972 which saw ill trained PAVN tank crews fall prey to poor planning and bad strategy This changed in 1975 when following the Paris Peace Accords and subsequent combined arms training in the Soviet Union the PAVN victoriously drove its Soviet armor into Saigon

Our Bravest Young Men, Vol. I Corinne McConnell Brulé, 2012-11-08 This is one volume of a two volume book This novel is a political statement set within a story in the Vietnam War The purpose of this book is to entertain to educate and to give a message about the Vietnam War The author has kept historical accuracy and realism to make this book meaningful Inspiration for writing this book came from the author's experience of living in America with the Vietnam War and from the author's recollections of Soldiers who were drafted and who fought in the war This book contains historic and well known quotations about war that have been used in the dialogue Some battlefield action has been added so the reader has a balance of action scenes and political discussions on the war *Vietnam, an American Ordeal* George Moss, 1994 [Steel and Blood](#) Ha Mai Viet, 2008-10-01 When South Vietnam was abandoned by its American allies and consequently defeated by the North Vietnamese in 1975 all its military records were lost to the enemy This has led to a paucity of factually based analyses of the war by South Vietnamese authors In a project lasting some ten years and financed by his own hard earned resources Colonel Viet has researched documented and analyzed the Vietnam War from the perspective of South Vietnamese armor forces

elements in which he himself played an important role as leader teacher and innovator His travels to interview hundreds of people with first hand knowledge of these matters took him back and forth across the United States and to Canada France and Australia and enabled him to piece together the story as recalled by virtually every senior South Vietnamese who was involved along with many of lesser rank but important experience and many Americans as well The result is a unique and invaluable work one recounting from the early days of the Army of the Republic of Vietnam its organization and development its combat operations and its interaction with American advisors and then later with deployed American units Viet tells this story as an historian would not glossing over the shortcomings and failures of his fellow Vietnamese soldiers or of the Americans but also providing definitive accounts of their successes their innovations their courage and determination and the hardships experienced and survived in the course of a long difficult and ultimately unsuccessful struggle In Colonel Viet s words In order to give the truth back to history we did not hide anything whether it be victory or defeat Finally in a very touching portion of the work Colonel Viet memorializes his fallen comrades of the armored force and commemorates the service of all the American advisors to the armored force he was able to identify U.S. Marines in Vietnam Jack Shulimson, Charles M. Johnson, 1978 In TREATY BOX per Maxine Channon 01 07 that file in shelf in vault **Inside An Loc** Van Nguyen Duong, Nghia M. Vo, 2015-11-12 The Battle of An Loc was one of the bloodiest battles in the Vietnam War and a defining moment in the history of the Republic of South Vietnam A few square blocks tucked among vast rubber tree plantations the provincial town was thought to be of little strategic value to the North Vietnamese Yet for 66 days in 1972 it was the scene of savage house to house street fighting as artillery and mortar fire pounded the town daily until almost nothing was left standing Facing three North Vietnamese infantry divisions General Le Van H ng defended the town with 7 500 men vowing to die with An Loc A decisive victory for the South Vietnamese the battle came at a time when the United States had begun pulling out of Vietnam and few American troops were on the ground No foreign reporters were on hand and the action was ignored or misreported by the world press This book tells the story of An Loc from the unique perspective of an officer who shared a bunker with the general during the fight **Americans at War** James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank Americans at War addresses this imbalance between officers accounts and enlisted men s accounts by

invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat

earlier relevant periods in Vietnamese history than any other encyclopedia of its kind Over 900 A Z entries with extensive cross references after each entry Biographies of key Vietnamese and American participants 200 primary source documents 150 illustrations and 22 maps *No Sure Victory* Gregory A. Daddis, 2011-06-01 In *No Sure Victory* Army officer and historian Gregory Daddis looks deep into the Army's techniques for measuring military success in Vietnam and presents a much more complicated and disturbing account of the American misadventure in Indochina Daddis shows how the US Army adopted a massive and eventually unmanageable system of measurements and formulas to track the progress of military operations that ranged from pacification efforts to search and destroy missions Concentrating more on data collection and less on data analysis these indiscriminate attempts to gauge success may actually have hindered the army's ability to evaluate the true outcome of the fight at hand a roadblock that Daddis believes significantly contributed to the many failures that American forces suffered in Vietnam Filled with incisive analysis and rich historical detail *No Sure Victory* is not only a valuable case study in unconventional warfare but a cautionary tale that offers important perspectives on how to measure performance in current and future armed conflict **Translations on North Vietnam** , 1973-02 **The New York Times Index** , 1968
