AWARD IN BIOGRAPHY AND THE PEN JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY Krazy is an eye opening biography that lays bare the truth about George Herriman's art, his heritage and his life on America's color line. A native of nineteenth century New Orleans, Herriman came of age as an illustrator, journalist and cartoonist in the boomtown of Los Angeles and the wild metropolis of New York. Appearing in the biggest early twentieth century newspapers including those owned by William Randolph Hearst, Herriman's Krazy Kat cartoons propelled him to fame. Popular with readers of the period, his work has been widely credited with elevating cartoons from daily amusements to anarchic art. Herriman's work explored the human condition, creating a modernist fantasia inspired by the landscapes he discovered in his travels from chaotic urban life to the Beckett-like desert vistas of the Southwest. Yet underlying his own life, often emerging from the contours of his very public art, was a very private secret known as the Greek for his swarthy complexion and curly hair. Herriman was actually African American, born to a prominent Creole family that hid its racial identity in the dangerous days of Reconstruction. Drawing on original research into Herriman's family history, interviews with surviving friends and family, and deep analysis of the artist's work and written records, Michael Tisserand brings this little understood figure to vivid life, paying homage to a visionary artist who helped shape modern culture. *Krazy & Ignatz* George Herriman, 2002. Collects all of the Krazy Kat comic strips from 1927 and 1928 which chronicle the adventures of Krazy Kat and Ignatz the mouse, and includes notes and examples from strips that George Herriman created before Krazy. **Krazy and Ignatz in Tiger Tea** George Herriman, 2010. Krazy Kat's most surreal adventures were the famed Tiger Tea sequence where Krazy Kat imbibed of the psychedelia-inducing substance. This is George Herriman at his best in the only full-length Krazy Kat adventure story of his career presented in the same era as Terry and the Pirates and Captain Easy. Krazy Ignatz Tiger Tea is printed on hemp paper and showcases a rare photo of Herriman sporting a Mexican sombrero and smoking a funny-looking cigarette. A special bookmark in the shape of a tea label and string will make the readers high with happiness. As with the entire line of Yoe Books, the reproduction techniques employed strive to preserve the look and feel of expensive vintage comics. Painstakingly remastered, enjoy the closest possible recreation of reading these comics when first released. **Krazy and Ignatz** George Herriman, 2002. A collection of reprints from the popular Sunday cartoon. The comic strip features three main characters: Krazy, the clueless cat who is in love with Ignatz; Ignatz, the mouse who likes to throw bricks at Krazy, which the feline invariably interprets as expressions of love; and Officer Pupp, who adores Krazy and is always looking to arrest Ignatz for his crimes. Krazy meanwhile always sees the arrests as just two good friends playing a game together. Herriman manipulates this formula over and over again into something fresh, each strip becoming a little funnier because of the readers' familiarity with the strange relationships among the characters. **LOAC Essentials Presents King Features Volume 1: Krazy Kat 1934** George Herriman, 2016. A complete year of comics. Back cover. *Krazy & Ignatz* George Herriman, 2010. The most acclaimed comic strip of all time. **Krazy & Ignatz** George Herriman, 2005. The Kolor Kat is here at last.
