Krinkov Manual:

Hostage Rescue Manual Leroy Thompson, 2005-01-08 A comprehensive illustrated overview of the dynamic operations that have saved lives in hostage situations around the world Based on strategies proven successful in numerous incidents including the landmark SAS rescue at Prince s Gate London and compiled by an author with intimate and practical knowledge of the field this book explains why the success of a rescue is often determined in the hours leading up to confrontation Once an incident is contained a large share of the responsibility for a successful conclusion rests with the hostage negotiator whose job is to save the lives of both hostage and hostage taker But if negotiations fail it becomes necessary to send in the hostage rescue team to resolve the situation by force and skill Hostage Rescue Manual explains the complex factors that determine the entry methods undertaken by a team with discussion of the pros and cons of stealth versus dynamic approaches plus the significance of distraction in securing successful site entry Operations in widely differing locations from nuclear power plants to airliners are detailed as are the range of special weapons available to the men and women tackling each incident We learn of the multiple roles played by participants such as the use of snipers as intelligence sources With vivid photographs and diagrams of rescue units in action Hostage Rescue Manual is the complete reference work on counter terrorist procedures all over the world This revised edition updates the book with an entirely new section devoted to developments in hostage rescue among them operations in Russia and Iraq since first publication **Terrorist Recognition Handbook** Malcolm W. Nance, 2008-04-14 Effective counterterrorism requires a non prejudicial understanding of terrorist motives and methods Security professionals need to identify who terrorists might be recognize pre incident indicators of terrorist activity and competently analyze intelligence information Unfortunately most terrorist education comes in short sketchy briefings **AK-47** Larry Kahaner, 2010-12-22 No single weapon has spread so much raw power to so many people in so little time and had such a devastating effect as the AK 47 assault rifle This book examines the legacy of this world changing weapon from its creation as means of fighting the Nazis to its ubiquity today in every kind of conflict from civil wars in Africa to gang wars in L A **The Gun** C. J. Chivers, 2011-09-06 The author a New York Times reporter traces the invention and mass distribution of the AK 47 assault rifle and its effects on war He traces the invention of the assault rifle following the miniaturization of rapid fire arms from the American Civil War through World War I and Vietnam to present day Afghanistan where Kalashnikovs and their knockoffs number as many as 100 million one for every seventy persons on earth It is the weapon of state repression as well as revolution civil war genocide drug wars and religious wars and it is the arms of terrorists guerrillas boy soldiers and thugs From its inception to its use by more than fifty national armies around the world to its role in modern day Afghanistan he discusses how the deadly weapon has helped alter world history **TACTICAL COUNTERTERRORISM** Dean T. Olson, 2012-05-01 Police officers on the beat officers on patrol all cops local state tribal and federal 750 000 strong doing what they do every day are the first and most effective line of defense against terrorist acts

committed in the Homeland This manual is designed to overcome the failure of our national counter terrorist strategy to better utilize local cops in homeland security by providing essential and practical knowledge local officers can use to identify terrorist precursor activities and more effectively interdict and prevent terrorist attacks from occurring The goal is to acquaint officers with proactive first preventer knowledge and tactics so they can make police counterterrorism an integral part of their duties Numerous case studies flesh out concepts such as terrorism homeland security terrorist threats posed by different terror groups police counterterrorism intelligence lone wolf terrorism behavioral indicators of Islamist radicalization terrorist tradecraft terrorism indicators and warning signs the terrorist attack cycle terrorist attack tactics such as sniping weapons of mass destruction arson improvised explosive devices IEDs suicide bombing tactics and surveillance detection techniques This manual is an excellent source of basic to intermediate training for intelligence analysts members of Joint Terrorism Task Forces criminal intelligence investigators and all police officers
