 Single Pipe machines this manual will also be of use to owners of those Twin Pipe models We encourage you to exercise
 caution when purchasing technical publications for your classic motorcycle or automobile as many of the reprints found on
 internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are
 selling Many are nothing more than poor quality digital comb bound or ring bound photocopies that are scanned or printed
 complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished
 In addition they are often advertised for the incorrect series and or model years However VelocePress com has been
 publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews
 worldwide so you can be assured you are purchasing a quality product *Honda MBX & MTX 125 & MTX 200, '83-'93*
