the president s daughter series wikipedia - Jun 15 2023

the president's daughter is a series of four young adult novels written by American author Ellen Emerson White. The series tells the story of Meghan, Meg Powers as she reacts to her mother's presidential campaign and her experiences while living in the White House. The series begins with *The President's Daughter* published in 1984. The final book in the series was published in 2007. The earlier books were then updated for modern readers and reissued in 2007.
