What They Still Don't Teach You In Project Management School Part 1
Joseph Dolphin, 2025-03-15. In this book, Part One of the two-part series, the author dives deep into the aspects of project management that schools don't teach: earned value analysis, work package strategy, onshore/offshore delivery models, staffing pyramids, and the critical distinction between solution to sell and solution to deliver. This essential guide provides the tools and insights to bridge the gap between theory and real-world execution, making it a must-read for project managers, consultants, and business leaders.
