Fidell, 2016 This book presents an accessible and honest assessment of the strengths and weaknesses of military justice around the world with particular emphasis on the US UK and Canada , **Street-Level Sovereignty** Sarah Marusek, John Brigham, 2017-10-03 **Street Level Sovereignty** The Intersection of Space and Law is a collection of scholarship that considers the experience of law that is subject to social interpretation for its meaning and importance within the constitutive legal framework of race deviance property and the communal investiture in health and happiness This book examines the intersection of spatiality and law through the construction of place and how law is materially framed Status and Treatment of Deserters in International Armed Conflicts Heike Niebergall-Lackner, 2016-02-02 In this study Heike Niebergall Lackner discusses the classical military offence of desertion from the standpoint of international law Taking account of the three factual situations that might arise following a desertion in international armed conflicts capture by the home country capture or crossing over to the enemy party and seeking refuge in a country not involved in the conflict the examination offers a comprehensive overview of the treatment and the protection afforded to deserters under international human rights law international humanitarian law and refugee law The examination is conducted against the background of the duties of soldiers under modern international law and shows that depending on the legality of the conflict desertion might represent the legitimate decision of the individual to act in accordance with these duties **Law and Morality at War** Adil Ahmad Haque, 2017-02-09 The laws are not silent in war but what should they say What is the moral function of the law of armed conflict Should the law protect civilians who do not fight but help those who do Should the law protect soldiers who perform non combat functions or who may be safely captured How certain should a soldier be that an individual is a combatant rather than a civilian before using lethal force What risks should soldiers take on themselves to avoid harming civilians When do inaccurate weapons become unlawfully indiscriminate When does collateral damage to civilians become unlawfully

disproportionate Should civilians lose their legal rights by serving voluntarily or involuntarily as human shields Finally when should killing civilians constitute a war crime These are the questions that Law and Morality at War answers contributing to a cutting edge international debate Drawing on the concepts and methods of contemporary moral and legal philosophy the book develops a normative framework within which the laws of war and international criminal law can be evaluated criticized and reformed While several philosophical works critically examine the moral status of civilians and combatants this book fills a gap offering both an account of the laws of war and war crimes and proposing how the law could be improved from a moral point of view

Complex Battlespaces Christopher M. Ford, Winston S. Williams, 2019 The conduct of warfare is constantly shaped by new forces that create complexities in the battlespace for military operations This inaugural volume of the Lieber Studies Series seeks to address several issues in the confluence of law and armed conflict featuring chapters from world class scholars policymakers and other government officials military and civilian legal practitioners and other thought leaders who examine the role of the law of armed conflict in current and future armed conflicts around the world
