Department of Defense, 1969     **The Army Lawyer** , 1992     *Court-Martial Reports: Holdings and Decisions of the Judge Advocates General Boards of Review and United State Court of Military Appeals* ,     Code of Federal Regulations , 1991 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries     **The Code of Federal Regulations of the United States of America** , 1991 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government     *Manuals Combined: DoD Security Engineering Facilities Planning; Design Guide For Physical Security Of Buildings; Antiterrorism Standards For Buildings And Specifications For Active Vehicle Barriers* , Over 1 600 total pages Application and Use Commanders security and antiterrorism personnel planners and other members of project planning teams will use this to establish project specific design criteria for DoD facilities estimate the costs for implementing those criteria and evaluating both the design criteria and the options for implementing it The design criteria and costs will be incorporated into project programming documents  
*Military Affairs* United States. Department of the Army, 1966     **DA Pam** , 1971     *United States Code* United States, 1959     Military Law Review , 1999     **West's Military Justice Reporter** , 2007     Court-martial Reports , 1958  
Consist s of the decisions of the United States Court of Military Appeals and decisions of the Judge Advocates General of the Army Navy and Air Force The General counsel of the Treasury as the Judge Advocate General of the Coast Guard and The Boards of Review in their respective offices Pref     Taking Leave, Taking Liberties Aaron Hiltner, 2020-09-01 American soldiers overseas during World War II were famously said to be overpaid oversexed and over here But the assaults rapes and other brutal acts didn t only happen elsewhere far away from a home front depicted as safe and unscathed by the good war To the contrary millions of American and Allied troops regularly poured into ports like New York and Los Angeles while on leave Euphemistically called friendly invasions these crowds of men then forced civilians to contend with the same kinds of crime and sexual assault unfolding in places like Britain France and Australia With unsettling clarity Aaron Hiltner reveals what American troops really did on the home front While GIs are imagined to have spent much of the war in Europe or the Pacific before the run up to D Day in the spring of 1944 as many as 75% of soldiers were stationed in US port cities including more than three million who moved through New York City In these cities largely uncontrolled soldiers sought and found alcohol and sex and the civilians living there women in particular were not safe from the violence fomented by these de facto occupying armies Troops brought their pocketbooks and demand for dangerous fun to both red light districts and city centers creating a new geography of vice that challenged local police politicians and civilians Military authorities focused above all

else on the war effort invoked written and unwritten legal codes to grant troops near immunity to civil policing and prosecution The dangerous reality of life on the home front was well known at the time even if it has subsequently been buried beneath nostalgia for the greatest generation Drawing on previously unseen military archival records Hiltner recovers a mostly forgotten chapter of World War II history demonstrating that the war s ill effects were felt all over including by those supposedly safe back home
